From the Board of Supervisors...

Back in 2015, a very important development occurred in Warwick which has paid dividends to Township residents and businesses. The construction of a Township-owned emergency medical services (EMS) station was completed on Meyer Way across from the Wawa. While this news is not new, the statistical results are now demonstrating how much of an asset the EMS station is to the Township. The station's presence, in the heart of Warwick, has dramatically reduced EMS response times. The chart below demonstrates the success of this vital Township investment:

Average Response Times in Minutes (over 10 year period) PRIOR

	2008	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018
ALS	7.00	7.17	7.14	7.69	6.49	5.58	6.23	6.07	5.15	5.03	5.03
BLS	6.19	8.22	7.07	7.36	5.26	7.33	7.14	6.48	6.30	5.40	5.35

AFTER

After the EMS station was opened in 2016 the response times have reduced by almost one full minute for both Advance Life Support (ALS) and Basic Life Support (BLS). If you look back 10 years, the reduction is even greater. Every minute is crucial in a medical emergency.

Our station is operated by Central Bucks EMS. Central Bucks EMS was established in 1959 as a non-profit volunteer ambulance company to provide emergency medical care to our growing community. There are over 160,000 residents in the nearly 120 square miles of communities they serve. You can read more about Central Bucks EMS at cbems.org.

Furthermore, the Warwick Township Board of Supervisors has remained committed to providing the best emergency services while not increasing property taxes in 10 years.

For more immediate Township news, we ask that you follow Warwick Township on Facebook, Twitter, or the Township website.

www.warwick-bucks.org

Hello

FROM THE TAX OFFICE!

DENISE BETTS TAX COLLECTOR

County /Township Real Estate tax bills were mailed March 1st and can be paid before June 30th without penalty. Central Bucks School Real Estate tax bills will be mailed by July 1st. If you would like to pay at discount, the due date is August 31st. For the installment option, the first installment is due by August 31st, with the second due September 30th and third due October 31st. Please call for updated office hours. There is a payment drop-box available on the wall to the right of the Township building main entrance door. If you have not received a tax bill, it is important to contact Denise at the Tax office 215-491-0611 or e-mail Warwicktaxbetts@aol.com. Please update the Tax office of any address changes. This office collects only real estate taxes. The earned and LST Tax Collector is Keystone Collections. You can contact them at 1-888-328-0565 or at their website Keystonecollects.com.

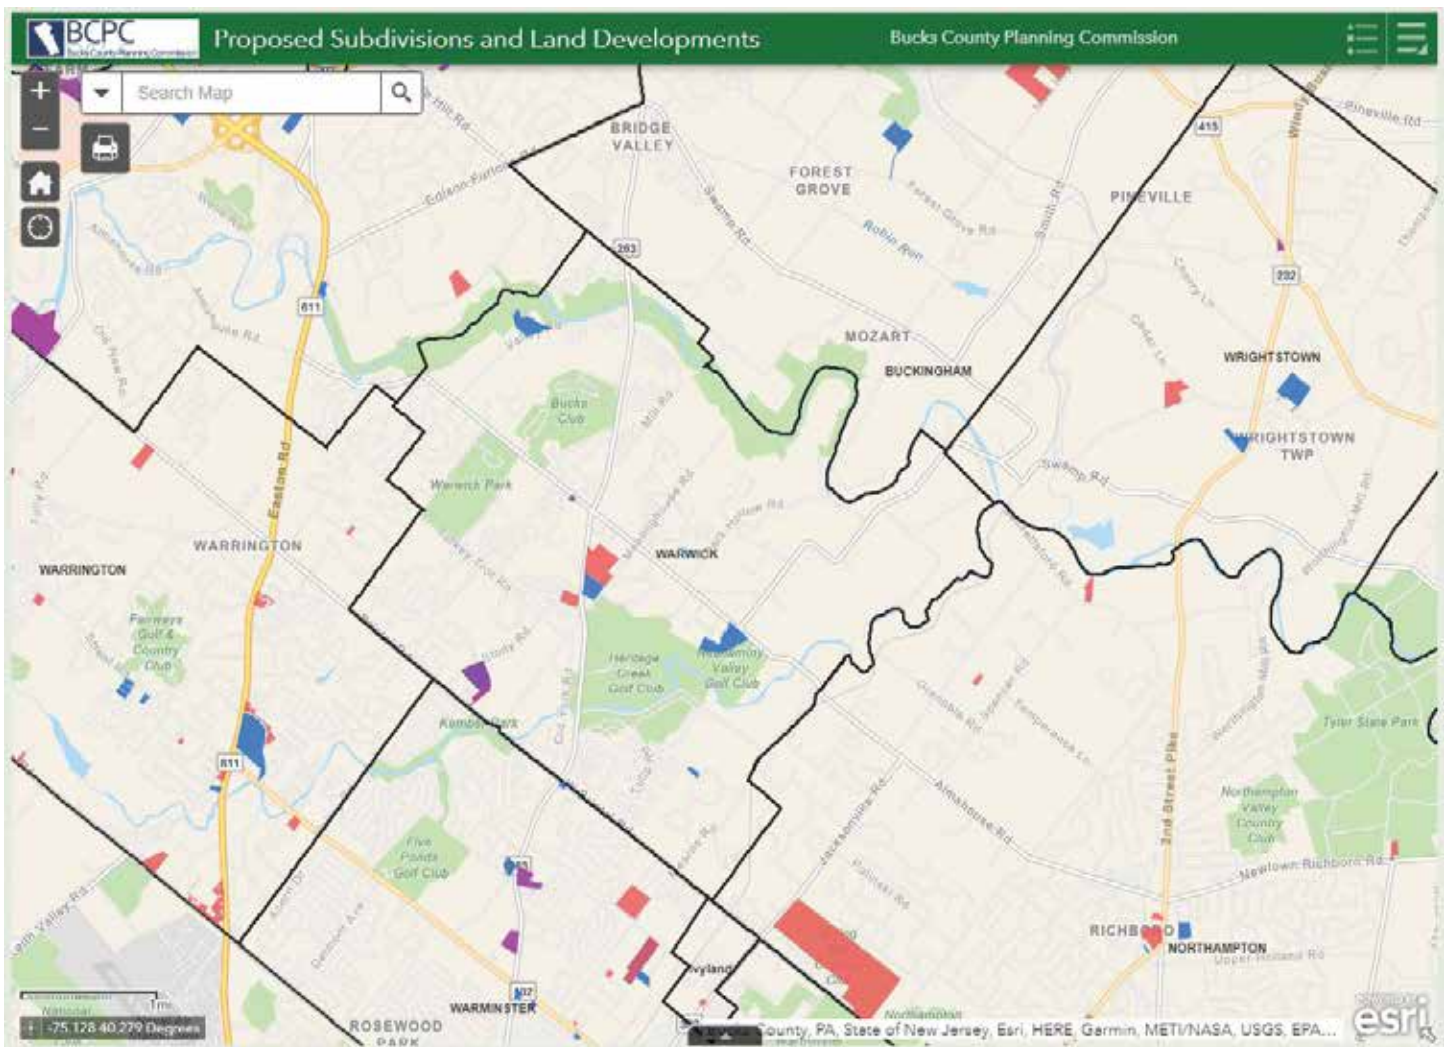

Volunteer Firefighters Needed

Both Warwick and Hartsville Firefighters hold training exercises every Tuesday night. If you have an interest in becoming a firefighter stop by either station between 7 PM and 9 PM. The Fire Chiefs will be glad to discuss the basic fire training requirements, insurance benefits and answer any question you may have. If the times are not convenient call Warwick Fire Co. at 215-343-9971 or Hartsville Fire Co. at 215-672-9242 and leave a message. Your call will be answered promptly.

New County Data Available to the Public

The Bucks County Commissioners and the Bucks County Planning Commission have developed a public platform so that individuals are able to explore data which may be important to residents, businesses and visitors of the County. Part of this platform includes interactive maps which provide a wide variety of information including proposed Subdivision and Land Development within municipalities throughout the County. This map allows the user to select a parcel and find out what proposals have been submitted to the Bucks County Planning Commission for review and often provides the plan set/review letters associated with the proposal. Be aware when reviewing this information that the proposals may not be approved or may have been withdrawn. Follow up with the associated municipality for more information. This is a valuable resource that residents are encouraged to utilize. You can access this information at www.buckscounty.org under the maps and data tab at the top of the page.

Please Help Stop the Spread of the Spotted Lanternfly

The Spotted Lanternfly (*Lycorma delicatula*) or SLF is an invasive insect that was discovered in Berks County, Pennsylvania in 2014. The SLF is proving to be very destructive to agricultural crops (particularly grapes) as well as many trees you may have in your yard.

The Pennsylvania Department of Agriculture and the USDA are committed to stopping the spread of the SLF. Bucks County (along with 12 other counties) including Warwick Township, has been part of the Pennsylvania Order of Quarantine and Treatment. Despite the quarantine, the SLF continues to move into other areas.

For information about the quarantine, please visit: <https://extension.psu.edu/spotted-lanternfly> and choose the Spotted Lanternfly Management option "How to Comply with the State Quarantine." You will find a Checklist for Residents Living in Spotted Lanternfly Quarantine Areas at that site. This checklist will help you to identify where the insect lays its eggs. These eggs can be found on all types of surfaces, not just trees.

Since the insect pest readily hitches rides on vehicles, the policy of "Look Before You Leave" is crucial to

containment. Check your vehicle as well as any outdoor equipment for SLF egg masses, adults and nymphs before going in and out of the quarantine zone. SLF egg masses may be present from fall to spring.

Because the SLF lays its eggs on surfaces in the fall, it is best to destroy the egg masses BEFORE they hatch in the spring. The best way to control the spread of this destructive insect is to check your property NOW and destroy the egg masses. For information about the identification, life cycle, distribution, damage, and control methods, visit the following website: <https://extension.psu.edu/spotted-lanternfly>.

We must all work together to reduce the population of this insect and safeguard our precious landscapes. Learn how to identify and destroy this pest. For more information about the Spotted Lanternfly visit: https://www.agriculture.pa.gov/Plants_Land_Water/PlantIndustry/Entomology/spotted_lanternfly/Pages/default.aspx

Comprehensive Plan Committee Questionnaire

The Warwick Township Comprehensive Plan Committee is currently updating the Township's Comprehensive Plan. The Committee would like residents and business owners to participate in the future planning of the Township. One way to do so is through the below survey, we ask that only one survey is submitted per household/business. Please fill out the ten questions below and submit your responses back to the Township via mail, e-mail (bmckeever@warwick-township.org) or drop off at the Township offices by July 12th, 2019. You can also complete this questionnaire on our website at <http://www.warwick-bucks.com/2019-comprehensive-plan-questionnaire/>. We thank you for your interest and participation!

(Please clearly circle one answer for each question below unless instructed otherwise.)

1. Please tell us who you are:

- a. Warwick Township property owner (resident)
- b. Warwick Township property owner (non-resident)
- c. Warwick Township non-owner (renter)
- d. Warwick Township business owner
- e. Other

2. Place the following services and/or programs in order from most important to least important (1 = most important and 6 = least important).

- a. Open Space Preservation _____
- b. Maintenance of Township Roads _____
- c. Recreational Opportunities/Facilities _____
- d. Walkways/Trails _____
- e. Historic Preservation _____
- f. Police, Fire and EMS Services _____

3. Why do you choose to live in Warwick?

- a. School System
- b. Retirement/55+ Community Living
- c. Reasonably priced homes
- d. Intensity/type of development
- e. Park system and open space
- f. Other (please specify): _____

4. The Township has a website, resident e-mail list, quarterly newsletter, social media (Twitter & Facebook) and a cable channel. Do you feel Township communication with residents is adequate?

- a. Yes
- b. No, how can we better communicate? _____
- c. No Response

5. During development, do you feel that the Township should continue to protect natural resources including woodlands, steep slopes and other environmentally sensitive areas?

- a. Yes
- b. No
- c. No Response

6. Do you feel that installation of sidewalks should always be required for all new developments?

- a. Yes
- b. No
- c. Only if a connection to existing sidewalk/trail is available.

continued on next page

Comprehensive Plan Committee Questionnaire

continued from previous page

7. How important is it to you that farmland is preserved in the Township?

- a. Very Important
- b. Important
- c. Somewhat Important
- d. Not Very Important
- e. Not Important

8. Place the following types of connections between developments in order from most important to least important (1 = most important and 3 = least important).

- a. Pedestrian _____
- b. Bicycle _____
- c. Vehicular _____

9. Do you believe the Township offers enough age-restricted housing?

- a. Yes
- b. No
- c. No Response

10. What is your impression of big box retailers (large retail establishment, usually part of a chain store)?

- a. The Township should support big box development.
- b. The Township should restrict big box development.
- c. No Preference

Warwick Memorial Park is Opening!

For those of you who do not know, Memorial Park has a very long history that dates back to 1996 when the Township received 50 acres for a park from the developer of Heritage Creek. That developer later sold to Toll Brothers who started the process of development for the park. Since 1996, the park went through three names, 50 Acre Park, Moland Park and finally what it will now be called, Warwick Memorial Park. This mostly passive park will have a large playground, Safety Town, a pavilion with bathrooms and multi-use trails.

Several grants were received throughout this process to make the park a reality. We received \$374,000 from the Department of Conservation and Natural Resources that covered the majority of the park improvements. We received \$50,000 from the Department of Community and Economic Development Keystone Communities Program for the completion of Safety Town. Lastly, we also received \$10,000 from the PECO Green Region Open Space Program that was for tree plantings. The park and its amenities would not have been possible without the support of all of these agencies.

Construction began in 2017 and we are proud to finally be able to open this long awaited park in July 2019.

The ribbon cutting ceremony is scheduled for Saturday, July 6 at 10am at the park. You will be able to play on the new playground, zoom around in Safety Town, use the bathrooms in the new pavilion and take advantage of the 7,500+ feet of paved walking paths.

The park is located at 1200 Memorial Drive, Warwick, PA 18974. Once you turn onto Memorial Drive from York Road, the park entrance is the first right.

Memorial Park Donations

As Warwick's newest park, Warwick Memorial Park, opens this Summer, you can get in on the action by planting a tree or having a park bench installed.

The information found below serves as a guide for any person, company, or group wishing to make a contribution to the Warwick Township Parks and Recreation Department for our newest park, Warwick Memorial Park.

Trees \$500

Dedicate an ornamental or shade tree in honor of a special person or a special event. You are able to pick the type of tree from an approved list. All trees will have a minimum 3.5" caliper. Donor may select the location with the Director's approval. Cost includes purchase and planting of the tree.

Add a plaque to your tree for an additional \$250. An in-ground, cast bronze plaque, measuring 10.5" x

3", four lines of text, 24 characters/spaces per line.

Park Benches \$1,000

Remember a loved one or celebrate a joyous occasion with a park bench. Our 6 foot benches are made of recycled plastic. Personalize your bench with an engraved cast bronze 8" x 2" plaque. Plaques may contain text only (no photos or graphics), three lines of text, 18 characters/spaces per line. Donor may select the location with the Director's approval. Cost includes purchase of bench, plaque and installation.

Once the park is open, there will be more opportunities for any person, company or group to donate. This will include building sponsorship in the new Safety Town.

For further information regarding Gift Donations or to receive an application, please notify the Parks and Recreation Department at any of the following:

(215) 343-6100 • (215) 491-2972 fax • dsharapan@warwick-township.org

Warwick Township Movies in the Park 2019

We have a FANTASTIC line up this year all due to the wonderful sponsors that support this series. All are held on the field behind the Large Pavilion at The Community Park and start approx. 8:45pm (dusk.) Bridge Valley Elementary School will be used in the event of inclement weather. We will be providing a gigantic 16 foot movie screen, amplified sound system and premium projection. All you have to bring is your blanket or chairs and sit back to enjoy the movie.

This series is sponsored in 2019 by Wawa, PECO, Warwick Township Police Benevolent Association, CKS Engineers and Grim, Biehn & Thatcher. If you or your business would like to be a sponsor of the series, please contact Dan Sharapan, Director of Parks, Recreation & Open Space at dsharapan@warwick-township.org.

There will be munchies and drinks for sale.

TO THE BUSINESSES!

Warwick Township would like to thank the businesses that appear in this newsletter and to recognize them each as supporters and cornerstones of our community. For it is with their contributions that this newsletter has been produced at no charge to our residents. The Township would like to further request that citizens, in response, patronize these businesses first when given a choice as these businesses are saving each citizen tax dollars.

Want to Sponsor a Parks and Recreation Event?

The Parks and Recreation Department has opportunities for you or your business to be a sponsor for our special events. All the special events that the Department offers throughout the year are FREE to the public, but we would not be able to make these events possible without the sponsors that donate so generously to the Township. The Parks and Recreation Department is always looking for new sponsors so that we can offer even bigger and better events throughout the year.

You or your company's name would be in the quarterly newsletter, *Within Warwick*, that gets mailed to almost 8,000 homes and businesses in Warwick Township. You would be able to attend the event that you sponsor to promote your business and hand out information. Your business will also be recognized on any social media that the Township distributes.

If you are interested in becoming a sponsor for one of our special events, please reach out to Dan Sharapan, Director of Parks, Recreation & Open Space at dsharapan@warwick-township.org for more details.

Take part in the action!

DISCOUNTED TICKETS

The Parks and Recreation Department offers discounted tickets throughout the year. You can purchase discount movie tickets, year round, for \$9.50 per ticket. These tickets are available for use at all Regal Cinemas, United Artists Theatres and EDWARDS Theatres. Tickets are valid for all show times WITH NO RESTRICTIONS. Movie tickets are perfect for birthday gifts, holiday gifts, thank you gifts, employee incentives, etc.

We also offer discount amusement park tickets. We typically receive our tickets by late April and they are available until the end of August. You can purchase tickets for sites such as Adventure Aquarium, Crayola Experience, Dorney Park, Dutch Wonderland, Franklin Institute, Hershey Park, Knoebels, Morey's Piers, Philadelphia Zoo, and Six Flags Great Adventure.

All tickets are sold at the Warwick Township building, 1733 Township Greene, Jamison, PA 18929 during normal business hours, Monday – Thursday, 8am to 4pm and Friday, 7am to 3pm. We suggest you call ahead to make sure the desired tickets are in stock. Cash, check AND credit cards (VISA & MASTERCARD) accepted. Please call (215) 343-6100 for more information.

Warwick Running Club

Tired of walking or running alone? Want to meet new people? In partnership with Warwick Township, Crail's Running Company is offering a FREE group run every Saturday at Community Park at 8 am. All walkers and runners are welcome! This is a great way to meet your neighbors! Registration is required.

WHEN: Every Saturday

TIME: 8am

WHERE: Community Park at Meyer Way

AGES: Ages 9 - 99

COST: FREE, but please pre-register
at www.warwickrec.com

INSTRUCTOR: Kevin Crail

Calling All Book Lovers

We are still welcoming interested members in the newly established Warwick Book Club, A Novel Bunch.

Our meetings are held at 1 p.m. on the second Wednesday of each month at the Warwick Township building. We generally plan on spending 2 hours discussing the book of the month and socializing.

If you are interested in sharing a delightful afternoon with others who love reading and socializing as much as you, please contact Elaine Fitt at ebfitt@verizon.net, or (215) 913-4379 for additional details. We would love to have you join us and we look forward to hearing from you.

Do You Enjoy Knitting, Crocheting, Needlepoint?

If so, continue reading. Our new social group is focused on crocheting, knitting, needlework and other similar crafts. You are invited to join us once a month for an afternoon of sharing, inspiration and camaraderie.

The Warwick Yarn Club, Hooks and Needles, is forming and we are extending this invitation to those of you who love to knit, crochet, needlepoint and socialize. The inaugural meeting took place in February at the Community Room of the Warwick Township Building at 1733 Township Greene, Jamison, PA 18929 (off Meyer Way). The normal meeting of the group is held at the Township Building on the first Wednesday of each month, from 1 p.m. to 3 p.m. You are welcome to come for as much or as little of the time as your schedule permits. There are no fees. The goal is to share patterns, knowledge, skills, information, and to make new friends. Just bring your work, a light snack if you want, and your smile.

If you are interested in sharing a delightful afternoon with others who enjoy mingling, meeting new friends and sharing knowledge and skills of needle work as much as you, please contact one of the folks below for additional details.

Elaine Fitt at ebfitt@verizon.net, or (215) 913-4379.

Gita Bantwal at Gita01@aol.com, or (215) 275-8491.

WHY ARE CAMERAS ON TOP OF TRAFFIC SIGNAL LIGHTS?

The cameras that you are seeing on the traffic signal poles in Warwick Township and other municipalities are video detection cameras. They are replacing the older technology of the "Induction Loop" which were imbedded in the pavement. The loop system required you to drive over a pressure sensor in the roadway to activate the signal to turn green. During PennDOT's reconstruction of York Road (State Road Route 263), all traffic signals in the project were upgraded with camera systems.

The cameras are used as motion sensors to time the lights for best traffic flow. They are NOT red-light violation cameras. These cameras are solely for traffic detection.

How These Signal Cameras Work

The camera is aimed at a section of pavement when there is no traffic present. This creates an image for the system. When a car, bike, or person enters the image the pixels change and the controller (computer) detects that there is traffic in that direction that needs to be served. The goal is to be as responsive as possible to real time traffic conditions.

"Why won't the light change for me? I have been waiting here a long time!"

A common concern is excessive wait time at intersections. The reason could be the position of your vehicle in relation to the traffic camera. The cameras are pointed toward vehicles before the traffic stop bar (white lines painted across the road). If you have moved past the traffic stop bar (inched up closer to the intersection), the camera can no longer detect that you are there. You need to be stopped just behind the line for the camera to see you and prepare to change the signal.

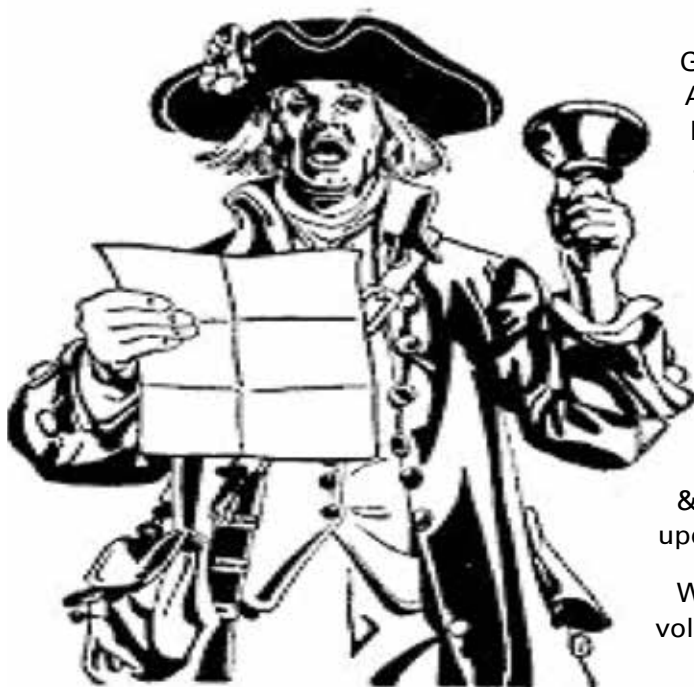

Annual Revolutionary War Reenactment at the Moland House

1641 Old York Road, Hartsville, PA

August 17, 2019

10:00 am to 4:00 p.m.

The Warwick Township Historical Society will honor George Washington and all the men and women of the American Revolution who fought for our independence. Revolutionary War Reenactors will engage in skirmishes and representations of colonial life. Benjamin Franklin will be attending this year along with 18th century music, 18th century distilling, blacksmithing, woodworking, barrel making, 18th century children's toys and games, puppet shows, folk painting, quilting, and other activities.

Admission benefits The Moland Property that is managed and maintained by the all volunteer Warwick Township Historical Society. Cash or Check only: Adults \$5.00 Seniors (62+) \$4.00 Youth (5-12) \$2.00 Families (parents & kids) \$10.00 Please see our website: www.moland.org for updated information in late July.

We are a 501(c)(3) non profit organization, staffed only by volunteers.

CREMATION SHOULD NOT BE OUTSOURCED

Most funeral homes use a third-party contract crematory. Varcoe-Thomas assures every step of care for your loved one is managed within our private facility. If you choose cremation, let our family care for your family.

Colonial Garden Started at Moland House

The Warwick Township Historical Society has begun an 18th Century formal garden at Moland House Historic Park. The Society, which maintains the Moland House and property, has voted to use the master plan, pictured below, that was created by Society board member Murrie Gayman as the basis for this project. Though no time line for completion has been established, Phase One has already commenced

The Society is thrilled to have the enthusiastic support of the Master Gardeners of Bucks County, who have offered to plant and maintain the garden. It is intended to be an ornamental garden, including native plants, and to be a dramatic and beautiful venue for wedding photos and other social events.

The garden will feature a brick walkway, and to help fund this undertaking, the Historic Society has started an engraved brick program. Anyone wishing to have their name, or that of a loved one, become a permanent part of this garden can contact Jim Moran at (215) 957-0802 or 659rom@gmail.com. Bricks are \$50.00 each and can contain 3 lines of 20 letters or spaces.

The Moland House was the headquarters of Gen. Washington in August of 1777, and is open for guided tours on the second and fourth Sundays of the month at 1:00pm.

Why Should You Care About Stormwater?

- **What is Stormwater?**

Stormwater runoff is the water from a rain event or snow melt that runs across the ground. Stormwater may infiltrate into the ground, runoff into storm sewers and streams, evaporate into the air or be used by plants.

- **Why is Stormwater a problem?**

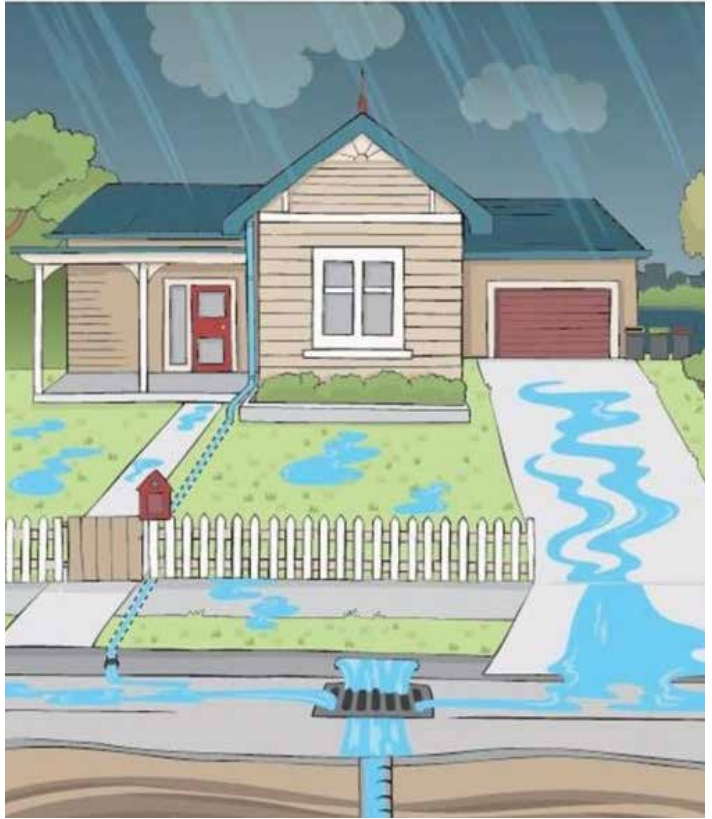

Stormwater running across lawns, roads, driveways, and parking lots can pick up pollutants such as oil, fertilizers, salt, dirt/sediment and trash and carry these pollutants to the storm sewers and streams.

With more development, there are more surfaces that do not allow the water to infiltrate which increases the volume of water flowing into our storm sewers and streams causing more frequent flooding.

The increased flow in streams causes more streambank erosion. The erosion eats away at the ground adjacent to the stream and soil is carried away in the stream which damages the natural habitat for fish and other aquatic life.

- **How can you help?**

There are many ways a homeowner can help protect our streams. Here are some ways you can help:

Reduce the amount of mowed grass and plant native trees and shrubs which have larger root systems.

Reduce impervious areas that prevent the stormwater from infiltrating into the ground. Use pervious paving systems for walkways and patios.

Do not over fertilize.

Install a rain barrel to irrigate your garden.

Create a rain garden to collect rain water and allow it to infiltrate or be used by the plants.

If you observe pollutants entering the storm sewer or stream, please contact Warwick Township at 215-343-6100.

E-Waste Collection Day

SATURDAY, AUGUST 17, 2019
2045 GUINEA LANE (PUBLIC WORKS)
9AM – 1PM

E-Waste is a popular informal name for the electronic products nearing the end of their useful life.

PAR-Recycle Works, a federally tax-exempt IRC section 501(c)(3) organization, is a social enterprise offering environmentally responsible recycling services while providing life changing workforce training to formerly incarcerated individuals.

Taking electronic waste and other recyclables, PAR-Recycle Works deconstructs these items, recycles the materials and disposes of the waste safely and cleanly. The scrap metals and other reusable materials collected in this process are then sold to help pay for salaries and job skill development for formerly incarcerated individuals in order to support their productive re-entry back into society.

ITEMS ACCEPTED

Computer Towers	Laptop Computers
Tablets	Servers
Printers	Game consoles
Phone systems	Stereos/Radios
Flat screen tvs (\$10/each)	Cell phones/calculators

(1) A first time homebuyer is defined as an individual who meets any of the following criteria:

- An individual who has had no ownership in a principal residence during the three year period ending on the date of purchase of the property. This includes a spouse (if either meets the above test, they are considered first time homebuyers).
- A single parent who has only owned a principal residence with a former spouse while married.

• An individual who is a displaced homemaker and has only owned a principal residence with a spouse.

- An individual who has only owned a principal residence not permanently affixed to a permanent foundation in accordance with applicable regulations.
- An individual who has only owned a principal residence that was not in compliance with state, local or model building codes and which cannot be brought into compliance for less than the cost of constructing a permanent structure.
