Delivery of EMS services in Warwick Township

Mark Goldberg, Emergency Management Coordinator and Chief of Police

Prior to June 22, 2015, Warwick Township did not have a “primary” provider of EMS. The Township was divided into “boxes,” serviced by Warminster Ambulance (approximately 60% of Warwick Township), Warrington Ambulance (approximately 30% of Warwick Township), Central Bucks Ambulance (approximately 5% of Warwick Township), and Tri-Hampton Rescue (approximately 5% of Warwick Township). An attempt was made over a decade ago by Warminster Ambulance to stage an ambulance in Warwick. No adjustments were made to dispatch protocols, and this attempt failed.

Recent years have seen a significant increase in demand for service from those entities providing EMS to Warwick Township. Call volumes are trending upward, and have increased about 15% since 2010. To put some perspective on these numbers, in 2014, EMS responded into Warwick just under twice a day. These calls vary, from the life threatening emergencies presented by cardiac arrests, to basic life support responses for lift assists. A “false alarm” in EMS is rare. The ambulance may not always transport a patient to the hospital, but it is unusual for there to be no patient on an EMS call.

Also note that EMS calls sometimes are received simultaneously. Just under 10% of the time, a second ambulance call is received in Warwick before the ambulance finishes at the first call. This results in a mutual aid response, from an ambulance further away. Furthermore, that number does not reflect the number of times that the 1st due ambulance is on a call outside of Warwick (primarily Warminster and Warrington). This also

Delivery of EMS services in Warwick Township...continued from cover

triggers a mutual aid response from an ambulance further away. Our mutual aid ambulances sometimes came from as far away as Hatboro and Chalfont, and occasionally even further.

Warwick Township officials executed an agreement to place an ambulance on Dark Hollow Road, beginning on June 22, 2015. Placement of an ambulance in Warwick has had the following **positive** results:

- An ambulance is significantly closer to most, if not all EMS calls in Warwick Township;
- For the first time, paramedics often arrive at EMS calls BEFORE police;
- An ambulance almost ALWAYS arrives sooner now, than it would have prior to June 2015;
- An additional ambulance will be added to the resource pool serving Warwick Township and our entire region.

The ambulances we rely on to come into Warwick from the outside are seeing increased demands and reduced availability to come to Warwick emergencies. Also, a significant increase in Warwick call volume is expected in 2016, when the Bridges at Warwick assisted living facility opens.

Anecdotally, there have been several dramatic "saves" by our local paramedics. The most recent was on October 11, 2015. EMS and police were dispatched to a cardiac arrest call in Hidden Pond. The ambulance was at the house with the victim in approximately 2 minutes. Police officers were even closer, and were already performing CPR when the medics arrived. The medics took over treatment, and applied a defibrillator. By the time medics got the patient to the hospital, he was awake and talking.

Earlier in October, EMS and police were dispatched to a call for cardiac symptoms in Heritage Creek. Medics determined that the patient was indeed experiencing a heart attack, but noticed the patient's spouse was also in distress. It turned out both husband and wife were suffering simultaneous heart attacks. Both were transported to Doylestown Hospital and are expected to recover.

During an otherwise uneventful mid-October morning, EMS in the Warminster-Warwick-Warrington-Southampton area got inundated with calls. Within an hour, ambulances were dispatched to crashes at Bristol/Valley (2 ambulances, one each from Warminster and Warrington), Almshouse/Watson (Tri-Hampton), York/Ivyland (Warminster), and a cardiac arrest at Southampton Estates (Warminster Ambulance into Upper Southampton). The EMS system was stressed to the point that tow trucks arrived at the Almshouse/Watson crash before the ambulance. These brief periods of furious activity are happening more often, typically at least once a month. The presence of the Warwick/Warminster ambulance works to reduce the frequency and severity of these instances, and significantly improves life-saving service to our residents and the community.

PENNDOT'S TENTATIVE PLANS FOR YORK ROAD (RT. 263) CONSTRUCTION PROJECT – FIRST HALF OF 2016

The weather dependent schedule is to have work completed north of Meyer Way no later than mid-May 2016.

Work will continue on top soiling and grading behind the curb throughout the winter. Work on the approach slabs at Neshaminy Creek Bridge will start. Storm pipe installation is continuing. If utilities are not completed to match the schedule, Stage 3 south of Meyer Way will be accelerated under short term daily traffic closures. As soon as utilities are moved, there will be about two weeks of pipe laying, two weeks prepping for paving and then about two weeks of paving.

When York Road is open north of Meyer Way, the southbound lanes from Meyer Way to Bristol Road will be shut down. Work on the Bristol and York Road intersection would start in June with the tentative schedule of completing the intersection only, by September. Work would also begin in June on the Little Neshaminy Creek.

Any questions about the PennDOT Rt. 263 Construction Project please call 215-792-7902.

PHASE 2 ON-LOT SEWAGE VISUAL INSPECTION FORMS FOR 2016

By Nancy Ehrmann-Cheatle, Code Enforcement Officer

In January 2016, the Township sent letters to all households in phase 2 of the Warwick Township on-lot sewage management program. These households are required to have their on-lot sewage system pumped by December 31, 2016. They must file a visual inspection form that is to be filled out by their waste hauler. **We also need a copy of the receipt from their hauler.**

Warwick Township is requesting that anyone who is part of phase 2, return their completed forms to us as soon as possible. If you have lost or misplaced your form, you can obtain a copy by going to our website at warwick-bucks.org (permits and forms) or you can pick them up at the Township administration building.

In 2011, Warwick Township adopted the on-lot sewage maintenance ordinance to ensure basic maintenance of on-lot septic systems in the Township. Septic tanks must be pumped at intervals not to exceed three years. You only need to register for the program one time but you will be notified every three years in reference to pumping your tank. Pumping your tank regularly will greatly reduce the chance of accumulated solids escaping the tank and clogging other components, especially the drainfield, which is the most critical component of most septic systems. In addition, pumping the tank wregularly will prolong the life of any on-lot system.

Soccer Stars 1

NEW

It’s never too early to develop a child’s love of soccer and athletics. Our Soccer Starters program is the perfect introduction to soccer basics, promoting physical fitness, creating a positive attitude, developing coordination, and sportsmanship. Instructor ratios are kept small to ensure each child gets the much needed individual attention. We know the importance of first getting kids interested and motivated before they are able to absorb the necessary lessons. Thematic games and fun exercises are designed to inspire and challenge young players, but also allow them to meet with successes that keep them interested in learning more. Learning the fundamentals, and developing a love for the game starts here. Kids that start with us have a real advantage as they mature. We believe it is our duty and privilege to get your kids started off right and develop a passion for the game that will last a lifetime.

VOLUNTEERS NEEDED

The Parks and Recreation Department is always looking for volunteers for our special events. We have events throughout the year, especially around the holidays, like our Egg Hunt, Halloween Happening and Ho Ho Ho Holiday Party, and could always use a few extra pairs of hands. If you can spare some of your time and help out the community, please consider volunteering with us. We will also take students that need community service. If you are interested in helping out, please contact Sarah Prebis in the Parks and Recreation Department at sprebis@warwick-township.org for more information.

Warwick Teen Camp

This active camp embarks on 4 Full Day Trips each week. Trips range from paintball, the beach, waterparks, amusement parks and even whitewater rafting. The campers will be gone from the site for the whole day. Campers have a lot of freedom in this camp and they learn to be responsible young adults. Times for the trips will vary, but the majority of the trips leave every morning between 8am and 9am and return home between 5pm and 7pm. We want to maximize the time at each site and with some locations further than others, it makes it difficult holding onto certain times. Register early as there are only 45 spots each week and it fills up quick!

THIS IS A RAIN OR SHINE CAMP AND THERE WILL BE NO REFUNDS!!! If we encounter inclement weather, alternative trips may occur. **TRIPS ARE STILL BEING BOOKED.** Check www.warwickrec.com for more information.

Soccer Stars 1

It's never too early to develop a child's love of soccer and athletics. Our Soccer Starters program is the perfect introduction to soccer basics, promoting physical fitness, creating a positive attitude, developing coordination, and sportsmanship. Instructor ratios are kept small to

ensure each child gets the much needed individual attention. We know the importance of first getting kids interested and motivated before they are able to absorb the necessary lessons. Thematic games and fun exercises are designed to inspire and challenge young players, but also allow them to meet with successes that keep them interested in learning more. Learning the fundamentals, and developing a love for the game starts here. Kids that start with us have a real advantage as they mature. We believe it is our duty and privilege to get your kids started off right and develop a passion for the game that will last a lifetime.

WHAT IS EMERALD ASH BORER?

Emerald ash borer (EAB), *Agrilus planipennis* Fairmaire, is an exotic beetle that was discovered in southeastern Michigan near Detroit in the summer of 2002. The adult beetles nibble on ash foliage but cause little damage. The larvae (the immature stage) feed on the inner bark of ash trees, disrupting the tree's ability to transport water and nutrients. Emerald ash borer probably arrived in the United States on solid wood packing material carried in cargo ships or airplanes originating in its native Asia. Emerald ash borer feeds exclusively on ash trees in North America. Tens of millions of ash trees have been lost to this pest, which usually kills ash trees within 3-4 years of infestation.

What to know about EAB:

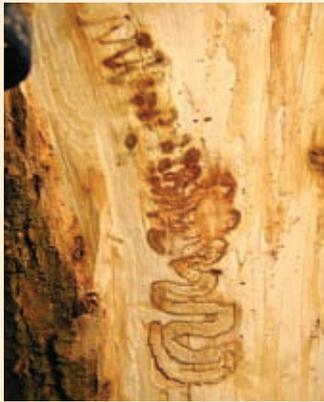

- It attacks only ash trees (*Fraxinus* spp.).
- Adult Beetles are metallic green and about 1/2-inch long.
- Adults leave a D-shaped exit hole in the bark when they emerge in spring.
- Woodpeckers like EAB larvae; heavy woodpecker damage on ash trees may be a sign of infestation.
- Exotic pests like the emerald ash borer can be spread when infested firewood is transported to new areas. **USE LOCAL FIREWOOD.** Do not bring firewood into PA. This is banned under order of quarantine. If you have already transported firewood, do not take it home, do not leave it – **BURN IT.**
- It probably came from Asia in wood packing material.

If you think you have emerald ash borer, report it by contacting:

PA Department of Agriculture – 866-253-7189 or report your sighting by e-mail at: bedbug@state.pa.us

The Village Improvement Association of Doylestown (VIA)

The **Village Improvement Association of Doylestown (VIA)** is delighted to announce that the **41st Bucks County Designer House & Gardens** will be located for the first time in Warwick Township. The community can “experience the transformation” of a quintessential 19th century farmhouse on nine acres at Foxwood Manor, 1596 Turkey Trot Road, Jamison PA. More than 30 professional designers and landscapers will be enhancing this home and restoring its beauty.

The women of the VIA and its Bucks County Designer House & Gardens committee will host this fundraising event from May 1 - 29. Proceeds from the event benefit Doylestown Hospital and the organization’s mission to enhance the quality of life in the community through service and education. The VIA greatly appreciates the support of Warwick Township and its residents for this worthwhile event and takes its role seriously as temporary residents of this wonderful community. The VIA will do its utmost to be a considerate, good neighbor during this short time.

The first activity is the **Empty House Party** on February 28, 2–5 pm, when visitors can explore the house and grounds before interior and exterior designers begin to work. Design boards will be on display in the undecorated areas depicting the future room plan including style, color, furniture, fabric and accessory selections; designers will share their vision and process for bringing out the unique beauty of this home. Guests will enjoy lite fare and refreshments from several area eateries, breweries and wineries, along with music, raffles and a silent auction of distinctive gift baskets. Over the next several weeks, designers and landscapers will be hard at work bringing out the beauty of Foxwood Manor. At the elegant **Preview Gala** on April 29, 7–10 pm, (VIP reception 6-7 pm), guests will be the first to see the transformation revealed while enjoying gourmet hors d’oeuvres, buffet dinner, open bar and music.

The 41st Bucks County Designer House & Gardens at Foxwood Manor will open to the public for **House Tours** May 1 – 29. Visitors should plan to spend two hours touring the house, pool area, pool house, spring house, expansive grounds and gardens. The Designer House will be a shopper’s delight with designer décor available for purchase as well as unique accessories, fashions and crafts available in the Carriage House boutiques. Visitors may also enjoy a quiet respite at the café to enjoy a lite lunch, snack or a variety of hot and cold beverages.

This month long event is the largest fundraiser held by the Village Improvement Association of Doylestown, (VIA), a non-profit organization. The VIA was founded in 1895 by women who were concerned that dusty Bucks County roads caused a variety of health-related issues for their families. Fourteen women gathered on April 26, 1895 to form the VIA and dedicated their efforts to improving the quality of life in the Central Bucks community. What began as a grass-roots effort to address health concerns evolved and the group established the first visiting nurse service in Doylestown. In 1923, they founded Doylestown Hospital and VIA members continue to oversee the governance of this award-winning health care system.

The efforts of the VIA extend beyond health services to support the local community. It offers one-time grants to community efforts; educational scholarships for outstanding high school seniors pursuing health-related careers and women seeking professional careers. Through its Welfare Fund, the VIA provides a variety of support through

local agencies and social services for those in the community with emergency needs.

The VIA is excited to share a vision for the future: Doylestown Hospital is meeting the growing demand and interest in cardio-thoracic and vascular services by embarking on a transformative renovation and expansion of the heart center within the Richard A. Reif Heart Institute. These renovations will be designed to broaden services and enhance patient safety and privacy. They encompass expanded patient areas, additional clinical space including state-of-the-art technologies and a new technologically-advanced Endovascular Surgery Suite. To help the Heart-Institute-of-the-future become a reality, a portion of proceeds from the 2016 Designer House will be earmarked to support this effort. Early investors serve as a driving force to kick off this critical initiative at Doylestown Hospital.

For information about the Bucks County Designer House & Gardens, please visit BucksCountyDesignerHouse.org or call 215-345-2191. For information about the Village Improvement Association of Doylestown, please visit VIA-Doylestown.org or call 215-345-2347.

WARWICK TOWNSHIP ADULT PICKLEBALL (AGES 20 & UP)

Location: Pickleball Courts

2045 Guinea Lane (back of park) – use driveway with split rail fence and follow to the back

Pickleball is a game with elements of tennis, badminton, and ping pong. Played with a paddle and hard plastic ball, it provides hours of fun for active adults, frequently replacing other activities as their primary recreation. Warwick Township Pickleball began in spring 2013 and grew from 2 to 247 members playing. The Township has six dedicated pickleball courts ready for use.

To see what we're about visit us at www.meetup.com/warwick-township-pickleball. Interested potential players, both new and experienced will find that we have a lot to offer. The group now features four levels of play from social to advanced. All groups have a minimum opportunity of 3 to 4 meetups per week. Since 2013 we have had over 800 meetup sessions and average well over 200 player experiences per week in season.

New players are required to register for social and beginner player sessions (listed on the meetup website). All players must be registered on both the meetup site listed above and at www.warwickrec.com. All funds collected go toward the program costs as the organizers and event hosts are 100% volunteers.

Experienced players can request evaluation and will be assigned a group designation. Advanced players or players with USAPA ratings will be placed accordingly. Paddles will be provided for initial instruction with players. After an initial period, players provide their own paddles. Township provides balls, first aid supplies, an AED for all scheduled meetup sessions and instruction for new players. Funds collected are also used for windscreens, improvements to parking area,

walking path to access courts, and all related items.

Outdoor Pickleball season runs from mid April through the end of October (weather permitting).

General schedule

Monday through Friday, 4pm - dusk (details of group levels on meetup site)

Saturdays and Sundays, 8am - 2pm and Saturday evening at 4pm - dusk Note: times adjust with weather and daylight savings time.

Cost to join (@ www.warwickrec.com):

Early registration for all players, returning and new – (Jan/Feb) - \$125 resident/\$150 non-resident

New players and returning players after early registration - \$150 resident/\$175 non-resident

***NEW** – Weekday A.M. only members (M,W,F, 10am - noon) – all levels Annual \$60 Resident/\$72 non-resident

Can only make it occasionally? Ten session cards available through www.warwickrec.com.

Resident \$40/Non-resident \$48. These are kept at the court for your convenience when you attend.

No cash will be accepted at the courts.

***NEW** – For new players first three sessions are free.

The group also holds special events (i.e. pickleball palooza, tournaments, instructional sessions, pizza and pickleball on an occasional Sunday evening).

Still have questions? There will be an informational session for all who want to know more about the sport and our group in general. The session will be held at Warwick Township on Monday, April 11th, 6:30 p.m. in the Township Building. To register to attend the FREE informational session, go to www.warwickrec.com.

Real Rose
Dipped in 24kt Gold

Roses have long since been the symbol of love and beauty. It has been immortalized in the art and literature of many cultures. It is, to the flower world, what gold has come to be in the realm of precious metals. These two timeless elements have been perfectly combined in your real rose flower which is carefully selected, preserved and dipped in 24kt gold.

Enjoy and keep it with pride.
