Park Directors Update

- Memorial Park Update – DS informed the Board that the contracted work is approximately 95% complete. There are some odds and ends that still need to be completed like the flag pole light and some re-seeding. Some of the walking paths were damaged during construction and will be repaired by the Township. The installation of Safety Town will take place before any grand opening and this will include paving, fencing and line striping. Once all the work is completed and the Township adds some paths that were intentionally left out during construction, a grand opening will take place. A ribbon cutting is scheduled for Saturday, July 6.
- Guinea Lane Park Pickleball courts – DS asked the Board to re-examine the possibility of turning the last remaining tennis court at the park into two pickleball courts. The Board was first approached about this back in 2015. There was some discussion from the Board and a motion was made:

Bill Dalessandro made a motion to keep the tennis court at Guinea Lane Park as a tennis court and not to convert it into two pickleball courts. Seconded by Lou Zabielski. All in favor.

The Board wants to leave the flexibility of the courts in place and does not want to limit the courts to just one use (pickleball). They also still believe that people play tennis and don't want to take away that from the park.
- Movies in the Park Series – DS told the Board that we may be losing a sponsor or two but we will still be able to hold three movies. The movie selections may not be brand new releases to reduce the cost from the movie company.
