FROM THE BOARD OF SUPERVISORS...

2020 has been a very difficult year for many Americans, Pennsylvanians, Bucks County and Warwick residents and businesses. It's been a year of uncertainty, isolation, and deviation from the lifestyle many of us have become accustomed to. While the majority of these issues are not in the control of your local government, some are. During the height of the pandemic, all township departments continued to safely function by a mix of at-work, at-home working arrangements to ensure that every emergency or nonemergency phone call and email was responded to. Maintenance and safety issues were addressed timely with a focus on operational continuity and employee well-being. The core functions of every department continued to function within the perimeters of the state's guidelines. We wanted to remain a signature staple of the community and offer a sense of normalcy during an abnormal time.

We sincerely hope we met your expectations during this period. At the time this article is being written, Bucks County is entering the Green phase of recovery under Governor Wolf's plan. Restrictions continue to be lifted and more businesses reopen their doors after a prolonged closure. While the future remains uncertain, we now all have the experience acquired from living and managing through a global pandemic and are ready for any resurgences or backslides with even greater efficiency and productivity.

Many Warwick businesses suffered and continue to suffer which only reinforces the need to shop and dine locally. We wish to thank again all residents and business owners for their support during this time.

For more immediate Township news, we ask that you follow Warwick Township on Facebook, Twitter, Instagram or the Township website.

GREETINGS FROM THE TAX OFFICE

DENISE BETTS TAX COLLECTOR

Central Bucks School Real Estate tax bills were mailed July 1st. If you would like to pay at a discount, the due date is August 31st. Drop box and mail in payments are appreciated. The County Township Real Estate tax bills were mailed March 1st and are now past due. They are due at the penalty amount. Unpaid Taxes as of December 31st will be liened at Bucks County Tax Claim. If you have not received a tax bill it is important to contact Denise at the Tax office 215-491-0611 or e-mail Warwicktaxbetts@aol.com. Please update the Tax office of any address changes. Due to the challenging times, call the tax office for updated hours. New homeowners please note there is a 1% earned income tax. You must file a return by April 15th for the previous year with Keystone. This office collects only real estate taxes. The earned and LST tax Collector is Keystone Collections. You can contact them at 1-888-328-0565 or their website Keystonecollects.com.

MEET THE NEW FIRE INSPECTOR/CODE ENFORCEMENT OFFICER: ROBERT PRATO

Warwick Township has another new employee! Robert "Bob" Prato was hired to fill the position of Fire Inspector/Code Enforcement Officer. A 46-year resident of Bucks County, Bob graduated from Council Rock High School in 1984, Temple University in 1988 with a degree in Communications, and received the Sheet Metal Workers Union of Philadelphia Apprentice of the Year Award in 1994 and is a Journeyman. He has a vast knowledge of construction and mechanical/fire protection systems. He is also a volunteer fireman with Warwick Township Fire Company, Northampton Township Fire Company, is an EMT, and is Battalion Chief for the Bucks County Special Operations Group-Hazmat Division. He has 30+ years experience and training in Emergency Services. He also enjoys his family time, working on cars, building his own computers, and training his German Sheppard Maggie to be a Search and Rescue-Live Find K9 in the little spare time he has.

He is a former resident of the Township having lived in the community from June 1998 to August of 2004. He always felt a strong connection to the area, community and the folks at the fire company. He is looking forward to helping promote the safety and well-being of the residents and businesses in our Township.

PLUG IN AT THE PARK

The appeal of electric vehicles is growing. Automakers are expanding their lines making electric cars with better performance and more aesthetically stylish. In fact, many people now a days are looking for new ways to leave a smaller footprint and lead safer, more sustainable lives. Electronic vehicles offer this to many residents of Warwick Township. To make owning an electric vehicle easier for our residents, Warwick Township has teamed up with PA DEP and PECO to obtain a grant. With this grant, we were able to install a Level Two Leviton Chargepoint charging station in the parking lot at Warwick Community Park, 1733 Township Greene, Jamison. This Level Two electric supply equipment is in the perfect location for residents to enjoy our park and walking path, while charging up their electric vehicle. Two charging ports share a single circuit, making it virtually guaranteed to have a spot waiting for you when you need to boost your battery. And, thanks to a generous donation from Renk Electric, our Leviton is equipped with a cord management system. This estimated \$1,150 cord management system, will extend the life of the electric cords on the station. The retractable system will also ensure that when you arrive to plug in, the cords will never be on the ground, but hanging conveniently in place. Warwick is working with great companies to do great things for our community.

HEADQUARTERS TRAIL TO OPEN IN 2020

Daniel M. Sharapan, Director of Parks, Recreation & Open Space

In 2017, Warwick Township was awarded a statewide grant from the Pennsylvania Department of Transportation (PENNDOT) through the TAP program to build a trail that connects the historic Moland House to the newly opened Memorial Park. The TAP program (Transportation Alternative Programs) provides funding for programs and projects defined as transportation alternatives, including on- and off-road pedestrian and bicycle facilities, infrastructure projects for improving non-driver access to public transportation and enhanced mobility, community improvement activities and environmental mitigation, trails that serve a transportation purpose and safe routes to school projects. Warwick Township received \$500,000 to complete the project.

The trail, called Headquarters Trail, will start at the entrance to the Moland House on the Old York Road side and will go under York Road, through the woods, over a new bridge that spans a small tributary of the Little Neshaminy Creek and connect to the trail system in Memorial Park.

A local contractor will be completing this project through PENNDOT, starting in late Summer and should be completed before winter.

Thank you

*We extend a special thanks to the business and professional members of our community whose support through advertising has made publication of this newsletter possible at no cost to taxpayers.
Please support the local businesses that support the Township.*

WELCOME, ROAR WICK!

In the Spring of 2020, the world slowed down due to the COVID-19 pandemic. Township buildings were closed in addition to all parks. While, the parks were closed to the public, the Parks & Recreation Department was still conducting inspections to ensure the safety of our residents. During one such inspection, department staff came across someone or something that would change our community forever.

The first sighting was at the Memorial Park playground on May 1. As staff approached, a pair of fuzzy legs and a fluffy pink tail were seen lounging in the mouth of the biggest slide. Being that the playground was posted as CLOSED, there was much concern. However, the owner of the pink tail had vanished when staffers arrived at the slide. Slightly perplexed staffers continued their inspection and advised residents, via social media, to keep an eye out for this unknown visitor.

A week went by before there was another indication that someone new had come to Warwick. Large pink paw prints were found all over Memorial Park. Prints were found along the walking trail, by the rain garden and surrounding the playground. Parks & Rec staff searched the entire park. There were no other signs of this newcomer. It was very puzzling, until a line of pink prints was discovered heading out of Memorial Park toward York Road. Ok, our visitor had left Memorial Park. However, he had not moved on from our town. Prints were discovered in front of the Township Administration building and in the parking lot. A trail of prints led right up to the Township mowing trailer. Public Works employees reported tufts of pink fur all over the landscaping equipment. A full day was spent searching, and once again, there were no sightings of the creature that was exploring Warwick Township.

At long last, on May 6, we caught the first glimpse of the face of our elusive wanderer. Township security cameras recording what appeared to be a 7' tall, pink haired animal, peeking in through township windows. Park & Recreation knew it was time to call in the pros. Warwick Police joined in the search to locate this critter and find out who he was. The police department reviewed security footage, took footprint measurements and pink fur samples. They had a pretty good profile of who they were looking for. And 7 days later, Warwick's finest located a 7' tall pink and golden lion named Roar Wick and brought him in for questioning.

Roar Wick found himself in our township completely by mistake. He is originally from Guinea, a country on the west coast of Africa. Roar Wick, or R.W. as he is now known, decided to take a cruise vacation to the United States. As he set sail on the S.S. Whatchamacallit, R.W. did not know that his life would never be the same. During his cruise, he was able to visit many exciting places like Florida and New Jersey. While taking a bit of an excursion off deck, he wandered a little too far from the dock and was unable to find his way back. The S.S. Whatchamacallit could no longer wait for him, so they weighed anchor, leaving poor R.W. to fend for himself. Always being up for an adventure, Roar

Wick grabbed his sunscreen and his luggage and headed west from New Jersey. For days and days, he travelled, not really knowing where he was, and not having anyone to ask directions, as everyone was in a stay at home order. In late April he arrived at Memorial Park. The open fields and tall

grasses reminded him of his home. He decided to stay for a few days. R.W. slept in the sliding board and bathed in the rain garden. He said he has never seen such a beautiful park in all his travels. Wanting to see what else this fabulous place had to offer, he left Memorial Park and headed up the hill, finding another park and a very interesting truck full of smelly machines covered in grass. He was trying to learn more about this new exciting place by looking into the windows of the building. R.W. learned a lot from peeking in our windows. He learned all about how the Planning & Zoning department runs. He learned that the Township hosts many community events. He learned that there is an entire squad of people, who all dress in the same uniform, who drive around and keep people safe. Roar Wick then explained to the police how excited he was, when they located him and gave him a tour

of the police department.

Once detectives completed a background check, Roar Wick was off to meet the Township Manager, Kyle Seckinger. Once he learned how much R.W. loved our town and wanted to stay, Kyle and the Board of Supervisors invited Roar Wick to be our newest resident. He was offered a job as Warwick Township's Director of Community Fun. R.W. loves his new home at the Township Building and is enjoying his new job. He cannot wait to meet all Township Residents at upcoming events. Keep an eye on the Township's social media platforms. Roar Wick is always getting up to something. He is thrilled to be a member of this wonderful community and is super excited to make so many memories with you. Welcome to your new home, Roar Wick.

SAFETY TOWN IS OPEN!

Daniel M. Sharapan, Director of Parks, Recreation & Open Space

Some might ask, what is Safety Town? Safety Town is a miniaturized version of Warwick Township where young children can ride tricycles and big wheels and play in a make-believe town. All the store fronts and street buildings are local businesses and the street markings have been shrunk down to smaller size to help teach the importance of street safety to our youngsters. The buildings have been designed for interactive play. There is plenty to spur the imagination of any child!

Building facades are made from recycled plastic lumber. Building facades come in two sizes, Standard (5') or Deluxe (10') for a five (5) year term. Each building is equipped with open doors and windows to allow for creative play.

Safety Town is located in Memorial Park at 1200 Memorial Drive.

Our Public Works Department was able to build 18

buildings in the first phase due to the sponsors that now have a place in our town. Deluxe sponsors are The Goddard School, Home Solutions Realty, Anmar Electrical Contractor, Lemus Construction, the Moland House, Kenrich Mechanical and Hatboro Federal Savings. Standard sponsors are Middle Bucks Institute of Technology, Wackenhut Plumbing, Heating, Cooling, Mister Sprinkle, Hannon Auto, Nancy's Farm, State Farm Insurance – Christina Jones, Bravo Dance Center, Dr. Susan Plotnick, Distinctive Pools, Heritage Creek Golf Club and Wynn Environmental.

Our hope is to build even more buildings in the next phase. If you are interested in having your business in our town, please contact Dan Sharapan, Director of Parks, Recreation & Open Space at dsharapan@warwick-township.org for more information.

DISCOUNTED TICKETS

from the Parks and Recreation Department

The Parks and Recreation Department offers discounted tickets throughout the year. You can purchase discount movie tickets, year round, for \$9.50 per ticket. These tickets are available for use at all Regal Cinemas, United Artists Theatres and EDWARDS Theatres. Tickets are valid for all show times with no restrictions. Movie tickets are perfect for birthday gifts, holiday gift, thank you gifts, employee incentives, etc.

We also offer discount ski tickets. We typically receive our tickets by late December and they are available until the end of March. You can purchase tickets for sites such as Bear Creek, Big Boulder/Jack Frost, Blue Mountain, Elk Mountain and Shawnee.

All tickets are sold at the Warwick Township building, 1733 Township Greene, Jamison, PA 18929 during normal business hours, Monday – Thursday, 8am to 4pm and Friday, 7am to 3pm. We suggest you call ahead to make sure the desired tickets are in stock. Cash, check or credit cards accepted for all tickets. Please call (215) 343-6100 for more information.

3 REASONS TO SCOOP THAT POOP

1. First and Foremost, It's the Law! Township Code Section 63 requires any person having care, custody or control of an animal to pick up after it. Furthermore, it requires appropriate disposal of the fecal matter which may mean carrying it with you until you can find a proper receptacle.

2. Cleanliness & Disease Control. Picking up and properly disposing of animal waste will keep pests from being attracted to the area due to odor. It will also ensure common diseases won't be transmitted and contaminated feces won't end up in our waterways and/or soils.

3. Common Courtesy. If you haven't ever stepped in a pile those who have will tell you it is an unpleasant experience. Scooping poop will ensure everyone has the same opportunity to enjoy the areas you and your animals do.

PLANT BUFFERS ALONG OUR STREAMS AND PONDS

What is a Buffer and Why is it needed?

A riparian buffer along a stream, creek or pond is a vegetated area to help the water quality in the waterway. The vegetated area provides shade, filters the water that runs off the adjacent land into the waterway. During a rain event the water running to the streams picks up soil, fertilizers and pesticides from lawns, and oil and grease from roads or driveways. Slowing the water down before it reaches the stream also helps to prevent erosion of the soil and streambanks.

How do I plant a Buffer?

Typically a buffer area consists of 3 zones. The size of each zone will vary depending on the space available.

- Zone 1: Along the edge of the stream, creek or pond should be planted with native trees and shrubs that can tolerate wet conditions.
- Zone 2: Adjacent to Zone 1, plant native trees and shrubs plus wildflowers and grasses to provide a transition.
- Zone 3: Next to Zone 2, plant an area of native grasses and wildflowers to slow the water and allow some to be absorbed into the ground.

How do I Maintain the Buffer?

- Initially, the buffer will need to be maintained with watering and weeding to help the plants establish and remove invasive plants.
- The grasses and wildflowers in Zone 3 should be mowed twice a year, in the spring and fall, to prevent overgrowth.

- The trees and shrubs should be pruned to remove any dead, dying or diseased branches.

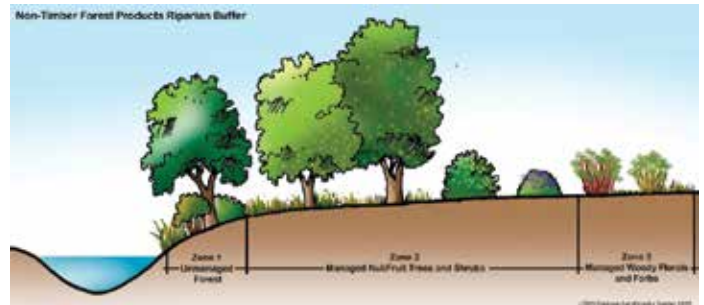

Where can I learn more about Buffers?

Information about buffers and the appropriate plants can be found on the following websites:

- Pennsylvania Department of Conservation and Natural Resources: <https://www.dcnr.pa.gov/Conservation/Water/RiparianBuffers/Pages/default.aspx>
- PennState Extension: www.extension.psu.edu

For more stormwater information, please visit the Township website at <https://warwick-bucks.com/stormwater-management/>

For any questions or concerns regarding stormwater or if you observe pollutants entering the storm sewer or stream, please call Warwick Township at 215-343-6100.

CREMATION SHOULD NOT BE OUTSOURCED

Most funeral homes use a third-party contract crematory. Varcoe-Thomas assures every step of care for your loved one is managed within our private facility. If you choose cremation, let our family care for your family.

Harvest Time Vibes

Warwick Township has a long farming history. This time of year, we are all reminded of the bounty provided to us by our local growers and farmers. Hidden in the below puzzle is a delicious and nutritious list of fruits and vegetables. After you have found them all, head out to the nearest farmers market and stock up on autumn's amazing produce.

LEWY BODY WALK FOR AWARENESS

Warwick Township Parks and Recreation presents the seventh annual walk to support Lewy Body Dementia

Join us in celebrating 7 years of supporting individuals and families with Lewy body dementia.

Clear your calendar and make plans to virtually attend the 7th Annual Lewy Body Dementia Awareness Walk on Sunday, September 27th!

In light of our current climate with the evolving COVID-19 crisis and the information provided by the Centers for Disease Control and Prevention (CDC), we have decided to host a virtual event this year. While it was a difficult decision, the health and safety of our community is our priority. We

will continue to make this a memorable experience and would be incredibly grateful for your support!

Use this link to join or donate: <https://www.firstgiving.com/event/LBDA/Lewy-Body-Dementia>

We may not be able to be together at the Warwick Township Community Park, but we can DIGITALLY COME TOGETHER to support the Lewy Body Dementia Association!

If you have any questions, please contact Tina Christie at tina.christie@comcast.net

KNOW YOUR MEDICARE OPTIONS

During this free educational seminar, you will learn:

- How Medicare works and what it covers
- How Part "D" prescription cards work and how pick the right one for you
- The differences between Medicare supplements and Medicare Advantage plans

Have your questions answered so you can make the right choice when planning for Medicare or Medicare Advantage decisions.

Registration is required for this program and walk-ins will be accepted. You can go to www.warwickrec.com, create an account and register for the program listed under

Seniors or call the Parks and Recreation Department.

Program is subject to change or possible cancellation due to COVID-19 restrictions.

WHEN: Thursday, October 8

TIME: 6:30pm-8pm

WHERE: Warwick Township Building Community Room

AGES: Adults 50+

COST: FREE

INSTRUCTORS: Steve Perlman, DelVal Senior Advisors, Independence Medicare Planning Specialist

2020 SCARECROW SHOWDOWN

Our Parks and Recreation department is starting a new Fall tradition this year. SCARECROW SHOWDOWN! We are going to fill our parking lots with the most amazing scarecrows, built by the most amazing residents, YOU. For the month of October, dust off your DIY skills and build us your most impressive scarecrow. Use your scarecrow to advertise your business. Pay homage to a favorite sports player or team. Or maybe just poke a little fun at

some pop-culture trends. Be as creative as you can be. Our scarecrows will be placed around the Administration Building parking lot for everyone to see, enjoy and vote on the most impressive scarecrow. Winner of the Scarecrow Showdown will win a prize and be crowned our very first MASTER SCARECROW BUILDER. Keep your eye on social media for more details. If you have any questions, please email Erin: elong@warwick-township.org

HALLOWEEN HAPPENING

Come dressed up as anything you choose, just come dressed up and you will get lots of goodies! Join your neighbors at this year's Halloween Happening. The event offers tricks and treats for all ages including pumpkin decorating, haunting arts & crafts, creepy coloring contest, and lots of candy from our sponsors. Bring your family and enjoy this free fun! Event is subject to change or possible cancellation due to COVID-19 restrictions.

WHEN: Thursday, October 29

TIME: 5:30pm – 7:30pm

WHERE: Warwick Township Community Park

AGES: ALL AGES

COST: FREE

EVENT SPONSORED BY TD BANK!!!

PACK THE POLICE CAR

Join the Warwick Township Parks and Recreation Department and the Warwick Township Police Department to "Pack the Police Car". **NEW LOCATION :** Warwick Township Fire Company. Come meet our Warwick Township Police officers and volunteer fire department members and make a donation of a non-perishable item. Suggested items are listed below. The food will be taken to the Food Larder at New Britain Baptist Church to be distributed to people in need throughout Bucks County. Event is subject to change or possible cancellation due to COVID-19 restrictions.

WHEN: Saturday, November 21

TIME: 10am - 2pm

WHERE: Warwick Township Fire Company (2390 York Road)

AGES: ALL AGES

COST: FREE

Suggested donations: Coffee and tea, jelly, laundry detergent, toothpaste and toothbrushes, toilet paper, sugar (2 pound box) and flour, ketchup, mayonnaise, mustard, canned fruits, canned juices, juice boxes, pancake mix & syrup, rice, household cleaning supplies, personal care items (deodorant, shampoo, shaving cream, razor, etc), spaghetti sauce, cake mix and icing, canned beans and canned tomatoes, canned meats and canned soups

This is a wonderful opportunity to give back to those in our own community who are struggling financially during the holiday season!

HO HO HO HOLIDAY PARTY

Gather with your neighbors and join Santa for hot chocolate and cookies. You can warm up with some hot chocolate, sit on Santa's lap for a photo, or make your own craft and Holiday card. Enjoy a performance by the Galena Brass Band. Back by popular demand are the Belgian horses and their carriage. Take a ride through our park. Event is subject to change or possible cancellation due to COVID-19 restrictions.

WHEN: Saturday, December 5

TIME: 11am – 1pm

WHERE: Warwick Township Community Park, 1733 Township Greene, Jamison, PA 18929

AGES: All Ages

COST: FREE

EVENT SPONSORED BY TD BANK!!
