**I. Call to Order**

Michael Riotto called the May 5, 2021, Planning Commission meeting to order at 7:06 pm.

**II. Consider approval of the April 7, 2021, Planning Commission Meeting Minutes**

**Motion by Kevin Madden to approve the April 7, 2021, Planning Commission meeting minutes without revision, seconded by Robert Fink. Motion passed unanimously.**

**III. 2021 DCED Flood Mitigation Program Funding Support Letter**

Ms. McKeever informed the Planning Commission that Warwick Township will be applying for the 2021 Department of Economic and Community Development Flood Mitigation Program seeking funding for improvements to the Stover Mill Basin. The basin has had a long-standing issue with stormwater management. On several occasions, such as in 2006 and 2011, the basin has been unable to accommodate excess stormwater, resulting in flooding. The grant funding will allow the Township to complete improvements to the Stover Mill Basin by removing excess sediment, regrading, seeding, and replacing the current metal storm sewer pipe with a sixty-inch reinforced concrete pipe. The Planning Commission was asked to provide a letter of support if they found the project to be in line with the Warwick Township Comprehensive Plan.

**Motion made by Michael Italia to authorize the Chairman to execute a letter in support of Warwick Township's Flood Mitigation Program application seeking funding for the Stover Mill Basin Project, seconded by Kevin Madden. Motion passed unanimously.**

**V. Old Business**

None.

**VI. New Business**

None.

**VII. Adjournment**

**Motion made by Michael Italia to adjourn; Kevin Madden seconded the motion. Motion passed unanimously.**

**Meeting adjourned at 7:09 pm.**
