From the Board of Supervisors...

There are few volunteer positions as important right now as being a volunteer firefighter for our community. The Warwick Township Fire Company is a 100% volunteer organization providing 24/7 fire service in Warwick Township and our surrounding municipalities.

Unfortunately, Pennsylvania has experienced a dramatic reduction in local fire company volunteers. In the 1970's, there were 300,000 fire company volunteers in Pennsylvania. The number of volunteers is now under 50,000. Sadly, no community is unaffected by lower volunteerism.

Warwick Township, proudly served by the Warwick Township Fire Company, is no exception to these statistics. While a strong membership persists, there is a growing need for new, lively and active volunteers. Volunteers can come in all shapes and sizes. For those less adventurous,

there are many positions in the fire company other than emergency responders. Volunteers with all types of backgrounds and careers, ranging from carpenters and business owners to accountants and engineers, can make meaningful contributions to the fire company. Even younger Warwick residents (14 and up) can volunteer as junior firefighters and it may make for a fulfilling activity between a parent and child. Also, there is no minimum amount of volunteering time to join, you can give time when you have it.

Your local firefighters are the first responders when you need help. Their duties range from house fires and vehicle accidents to alarm response and fire safety training. When the type of service warrants, our firefighters respond alongside our police and emergency medical services.

Volunteering for the Warwick Fire Company can award you with not only the thrill of riding on the back of a fire engine, but also with a sense of community while working alongside your neighbors to create a safer place for all of us to live, work and play. Lastly, the township funds a monetary stipend program for volunteer firefighters to help offset incidental expenses.

How can you volunteer:

- Visit the fire company on Tuesday evenings at 7pm to take a tour, ask questions or just check out the fire engines (2390 York Rd, Jamison)
- Visit the Warwick Fire Company website @ warwickfd.com for more information

For more immediate Township news, we ask that you follow Warwick Township on Facebook, Twitter, or the Township website (www.warwick-bucks.org).

Looking Forward To Fall At The Tax Office - Denise Betts Tax Collector

Central Bucks School Real Estate tax bills were mailed July 1st. If you would like to pay at discount, the due date is August 31st. To avoid penalties, please pay by October 31st. The County Township Real Estate tax bills were mailed March 1st and are now past due. They are due at the penalty amount. Drop box for tax payments always available. Unpaid taxes as of Dec. 31st will be lienied at Bucks County Tax Claim. If you have not received a tax bill, it is important to contact Denise at the tax office 215-491-0611 or e-mail Warwicktaxbetts@aol.com. Please update the tax office of any address changes. This office only collects real estate taxes. New homeowners, please note, there is a 1% earned income tax. The earned and LST tax collector is Keystone Collections. You can contact them at 1-888-328-0565 or their website Keystonecollects.com. You must file a return by April 15th (for the previous year) with Keystone.

Know Your Local Wildlife - *Things You May Not Have Known About Fall Leaves*

Did you know a leaf layer can be extremely beneficial? Butterfly and moth species use the leaf layer to overwinter, leaves provide protection for their young so they can develop into their adult form next year. Most bird species rely on this layer for a food source due to the caterpillars, as well as insects, living there. Ninety-six (96%) of birds rely on caterpillars to feed their young! Beyond this small mammals, salamanders, turtles, and frogs also use this layer as their home. You would be providing an important habitat if you keep the leaves on your property rather than dispose of them. One way of doing this is using leaves in garden beds and other areas where you may want to protect your plants. Leaves are a natural mulch; they not only provide nutrients to the soil but suppress weeds and preserve moisture. This could save you both time and money with next year's landscaping.

Barbecue Grill Safety - *Robert Prato, Fire Inspector/Code Enforcement Officer*

Grilling is one of the most popular ways to cook. There is nothing better than freshly grilled foods during an outdoor picnic. Safety, while grilling, should be at the top of the menu.

According to the National Fire Protection Agency (NFPA) an average of 19,700 patients a year go to emergency rooms because of grill related injuries. Thermal burns make up almost half of these injuries. Whether charcoal or gas fired, grills should be treated like they are an appliance, just like a stove or oven. Working around a hot grill should be done with extra care since flash or grease fires can occur any time without much warning. Children or pets playing around a hot grill is never a good idea. And use of hot gloves and proper utensils for grilling can prevent some of these injuries.

Grills are involved in roughly 9,000 home fires each year. The major causes are leaks and breaks. One of these recently did a significant amount of damage to a home in our Township.

Propane, natural gas, or charcoal grills should only be used outside. They produce significant amounts of carbon monoxide and can be dangerous or even deadly if used indoors. Keeping the grill at least fifteen feet from the side of structures or any other combustible materials is an easy way to prevent damage from the heat of a grill. Make sure the grill lid is open when you light the burners.

For propane and natural gas grills, check the gas tank hose or supply hose for leaks before using it for the first time each year. Apply a light soap and water solution to the hose. A gas leak will release bubbles. If your grill has a gas leak, by

smell or the soapy bubble test, and there is no flame, turn off both the gas tank or supply line and the grill. If the leak stops, get the grill serviced by a professional before using it again. If the leak does not stop, call the fire department. If you smell gas while cooking, immediately get away from the grill and call the fire department. Do not move or touch the grill. If the flame goes out, turn the grill and gas off and wait at least 5 minutes before re-lighting it.

Charcoal and wood or pellet grills need careful attention when in use as well. Use a safe means to start the fuel such as newspapers. If you use charcoal lighter fluid, only put it on cold coals or fuels. Never use gasoline or other volatile fuels to start a grill. And never add any flammable liquids to the fire once it has been lit, even if it appears to be out. It may not be and could create a hazardous situation very quickly. An electric charcoal starter is a desirable alternative to using liquid fuels to start the coals, but care should be taken to avoid burn injuries or other potential hazards with these. When you are finished with a solid fuel grill, let the coals completely cool before disposing of the ash in a metal container.

Following these guidelines while grilling will ensure that you have a tasty and safe grilling season!

Ways Everyone Can Help Keep our Streams Clean

As part of our Stormwater Permit with the Pennsylvania Department of Environmental Protection, the Township is required to help prevent pollution and keep our streams clean for drinking water, irrigation, fishing and enjoyment by the public. Here are some ways you can help keep our streams and rivers clean:

1. Keep your nearest storm drain clear of debris and litter
2. Never dump anything down a storm drain
3. Use fertilizers sparingly
4. Use pesticides only when necessary
5. Do not blow grass clippings or leaves into the street
6. Sweep up yard debris rather than hosing down paved areas
7. Compost or recycle yard waste
8. Pick up pet waste and dispose of properly
9. Use a commercial car wash or wash your car on an unpaved area
10. Service your car regularly to prevent leaks onto paved areas
11. Dispose of Household Hazardous Waste at designated collection locations
12. Produce less waste – Reduce, Reuse, Recycle
13. Purchase and use nontoxic, biodegradable, recycled or recyclable products whenever possible
14. Have your septic tank pumped and system inspected at least every three years

For more stormwater information, please visit the Township website at <https://warwick-bucks.com/stormwater-management/>

For any questions or concerns regarding stormwater or if you observe pollutants entering the storm sewer or stream, please call the Township at 215-343-6100.

FIRE PREVENTION WEEK IS OCTOBER 9-15

Fire Prevention Week will be held October 9-15, 2022. Fire Prevention Week is a national observance sponsored by the National Fire Protection Association (NFPA) since 1922. This year is the 100th anniversary of Fire Prevention Week. Fire Prevention Week is observed each year during the week of October 9th in commemoration of the devastating Great Chicago Fire.

This year's theme for the week is - **"Fire won't wait. Plan your escape™"**. It is important for you to create a fire escape plan. Every second counts in an emergency. Everyone in your house should know and practice the fire escape plan. Contact us at communityrelations@warwickfd.com or 215-343-9971 should you have any questions or need assistance with creating the fire escape plan for your residence.

HELP WANTED

BECOME A VOLUNTEER MEMBER OF WARWICK TOWNSHIP FIRE COMPANY NO. 1

Did you know that Warwick Township Fire Company is an all-volunteer operated fire company, 501(c)(3) non-profit organization? The volunteer members of Warwick Township Fire Company have been faithfully serving the Warwick community since 1958.

The dedicated volunteer first responders are your family, neighbors, and friends who are on call and willingly respond 24 hours a day, 7 days a week when needed to protect you and your property. The devoted volunteer first responders of Warwick Township Fire Company are available, respond, and deliver professional, responsive, compassionate, and skilled fire suppression, emergency management services, and public safety to the Warwick community.

Your help is needed now to assist us with expanding the company membership of first responders. Can you help us to overcome this membership challenge? We invite you to talk with us about becoming a member of your community's all-volunteer fire company. You will receive free training. You will learn new skills. You will meet other neighbors serving in your community. Any amount of time you can give back as a volunteer right here in the Warwick community helps to continue to keep Warwick Township a great and safe place to live, work, and visit.

Contact us today at membership@warwickfd.com or call 215-343-9971 to request a membership application and to ask any questions you may have about becoming a member of the fire company. We look forward to having you become a member of the fire company and serving with our outstanding dedicated team of first responders.

Please contact us at communityrelations@warwickfd.com should you have any fire safety questions, comments or feedback to share with us. You can also connect with us at www.warwickfd.com.

12th ANNUAL SHOP WITH A COP SPONSORSHIP

Warwick Township Police Department
In Partnership with Surrounding Law Enforcement Agencies

Though we're still enjoying warm, sunny days, The Warwick Township Police Department and Officers from surrounding Police Departments are preparing for the 12th annual **SHOP WITH A COP** event. **Please help us make the holidays brighter for children in our community!**

SHOP WITH A COP is a national program pairing police officers with children at the elementary school level to afford them a better Holiday Season. The program allows children to view police officers in a different atmosphere to promote positive relationships. The children are faced with life challenges such as a parent losing a job, homelessness, military deployment, economic shortcomings, and other hardships.

SHOP WITH A COP is funded through the generous donations from our own community, from private sponsors to local businesses. Volunteers from our community help with gift wrapping, hosting, and registration. Each child is allotted a monetary gift card to purchase gifts for themselves and family members, allowing for a more enjoyable holiday. All participating police officers volunteer their own time to support the program.

SHOP WITH A COP was created to help make the holidays brighter for disadvantaged families. **We cannot do it without your support!** Questions or sponsorship information - please contact Sergeant Aaron Richwine 215-343-6102, ext. 411 or arichwine@warwickpolice.org.

Scarecrow Showdown 2022

Our Parks and Recreation department is bringing back the fantastic SCARECROW SHOWDOWN! We are going to fill our parking lots with the most amazing scarecrows, built by the most amazing residents, YOU. For the month of October, dust off your DIY skills and build us your most impressive scarecrow. Use your scarecrow to advertise your business. Pay homage to a favorite sports player or team. Or poke a little fun at some pop-culture trends. Be as creative as you can be. Our scarecrows will be placed around the Administration Building parking lot for everyone to see, enjoy and vote on the most impressive scarecrow.

Winners of the Scarecrow Showdown will be crowned MASTER SCARECROW BUILDER. This year we will have multiple categories: Family Entries, Local Business Entries and School or Scout Entries. We will also have multiple prizes that will include write ups in our Winter Newsletter. So, if you are interested in winning prizes, free advertising, friendly festive competition or just looking for a little Fall Fun, get you supplies ready and get to building.

Scarecrows drop off will begin October 3, 2022. Keep an eye on social media for more details. If you have any questions, please email Erin: elong@warwick-township.org

Halloween Costume Donation Vault

With the spookiest time of the year upon us, it's time to bring out the Halloween decorations. It's also time to think about Halloween costumes, and we're not just talking about what you're going to wear this year. Dressing up for Halloween may be great fun, but it sure does leave a lot of clothes lying around that only have a once-a-year use. Warwick Township has a solution to your Halloween wardrobe woes. Need to clear out some space to make room for this year's costumes? Drop off any costumes you aren't using this year to The Warwick Administration Building. Beginning October 3, we are accepting costumes for babies, kids, pets and grownups. We will compile these donations and open our "vault" for anyone who needs a costume for this Halloween season. Do your kids have another Halloween event and are refusing to wear the same costume as the last event? Do you have a last-minute costume party and no clue what wear? We have you covered. Contact Erin at elong@warwick-township.org for more information and any questions.

Halloween Happening 2022

A monstrously great time for all age groups. Our Trunk-or-Treat layout will return in 2022. Come dressed in costume and visit our candy sponsors as you go trunk to trunk collecting goodies. Interested in being a candy sponsor? Contact Erin at elong@warwick-township.org. All businesses and neighbors are welcome and there will be a PRIZE for the most festively decorated trunk. In addition, there will be a spread of our Candy Sponsors in our Winter newsletter (great advertising opportunity for your

business). While you are in the park enjoying the evening, stop by our Costume Vault and take a tour of our Scarecrow Showdown entries. This event is sponsored by TD Bank!!!

Lightning Safety

Thunder and lightning storms happen all the time. Know what to do to keep you and your family safe when storms strike!

Safety Tips

Indoor Safety

Turn off computers. Stay off corded phones, computers, and other things that put you in direct contact with electricity or plumbing. You **can use** a cell or cordless phone.

Do not wash your hands, bathe, shower, do laundry, or wash dishes.

Outdoor Safety

- » If you can hear thunder, you are within striking distance of lightning. Look for shelter inside a home, large building, or a hard-topped vehicle right away.
- » Do not go under trees for shelter. There is no place outside that is safe during a thunderstorm.
- » Wait at least 30 minutes after hearing the last clap of thunder before leaving your shelter.
- » Stay away from windows and doors. Stay off porches.
- » There is no safe place outside. Places with only a roof on sports fields, golf courses, and picnic areas are not safe during a lightning storm. Small sheds should not be used.
- » If a person is struck by lightning, call 9-1-1. Get medical help right away.

FAST FACTS

Lightning may strike as far as 10 miles from any rain.

CREMATION SHOULD NOT BE OUTSOURCED

Most funeral homes use a third-party contract crematory. Varcoe-Thomas assures every step of care for your loved one is managed within our private facility. If you choose cremation, let our family care for your family.
