From the Board of Supervisors . . .

The Township is excited to announce the significant upgrades and further development of Guinea Lane Park. From residents to sports organizations, Guinea Lane Park is one of our most highly used parks by our community.

As part of our 2023 budget, the Township is prepared to construct a new 90' baseball field in the rear, right corner of the existing park. The field would be accompanied by a new parking lot and stormwater management facilities. Our sports organizations have been requesting this improvement for some time, and we are, fortunately, in the current position to be able to provide for it.

The field and stormwater facilities portion of the project was awarded to a responsible contractor this spring with construction commencing this summer. Our Public Works department will be installing the access driveway and parking lot.

To further enhance Guinea Lane Park, the pickleball courts are being resurfaced and re-lined to allow for more courts in the same footprint. Our goal is to always support a wide range of community activities that residents of all ages can participate in and enjoy.

Furthermore, the Warwick Township Board of Supervisors has remained committed to providing these projects without increasing property taxes since 2010 or issuing bonds to accrue debt.

For more immediate Township news, we ask that you follow Warwick Township on Facebook, Twitter, or the Township website.

Thank you!

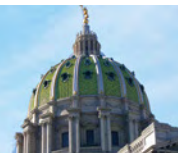

Plumly Donation to Warwick Fire Company No. 1

The Warwick Township Board of Supervisors would like to thank the late Alberta and Charles Plumly. Mr. and Mrs. Plumly were longtime Warwick Township residents, residing on School House Lane for 55 years.

In their passing, the Plumlys generously donated a portion of their estate to Warwick Fire Company No. 1. As an all-volunteer fire company, donations like these allow Warwick Fire Company No. 1 to continue providing high-level emergency and public safety services to our residents.

The Board of Supervisors recognizes that our residents, past and present, are what make our municipality great. We are grateful that Alberta and Charles chose to call Warwick their home. Warwick Fire Company No. 1 will honor the Plumlys' legacy and generosity by using their donation to ensure our residents continue to receive outstanding public safety services.

Meet Your New State Senator . . .

Senator Frank Farry was elected to the Senate of Pennsylvania in November 2022 to represent the 6th Senate District in Bucks County after serving in the House of Representatives for seven terms.

Farry is very active in his community, serving as a volunteer firefighter with the Langhorne-Middletown Fire Company since June 1990 and as chief of the organization since January 2001. Prior to his time in state government, Farry worked for his hometown of Middletown Township for over seven years. In his role as assistant township manager and director of community services, Farry served in various capacities including acting township manager, public information officer and emergency management team member.

Farry's advocacy focus has been on veterans' and armed forces groups, the disability community, animal welfare groups, first responder community, senior citizen concerns, and addiction and recovery issues.

Senator Frank Farry

Farry's office can assist with state government services; Property Tax/Rent Rebate applications, birth & death certificate applications, SEPTA Senior Key card registrations and renewals, unemployment issues, and more.

Welcome New Employees!

MEET THE NEW PUBLIC WORKS ADMIN/PLANNING AND ZONING RECEPTIONIST

Erica Gibilante

Erica Gibilante joined Warwick Township in early February 2023 as the new Public Works Admin/Planning and Zoning Receptionist. She graduated from East Stroudsburg University with a Bachelor of Arts in Communication Studies.

She is a life-long Bucks County resident and currently resides in Feasterville with her husband and children. In her

free time, Erica loves reading and going to the beach. She is looking forward to assisting the residents of Warwick Township within this new role in the Public Works and Planning and Zoning Departments.

MEET THE NEW PARKS MAINTENANCE EMPLOYEE

Brandon Bulovcsak

Warwick Township is excited for everyone to meet our newest member of the Parks and Recreation team. Brandon recently moved to Bensalem, PA from Hamilton, NJ. While in Hamilton he worked as field maintenance at his local school district.

Brandon is an avid movie goer, loves his video games and enjoys horror books.

These days you will find Brandon maintaining our beautiful parks system. Please join us in welcoming Brandon to the Warwick Township family.

Help keep pollution out of storm drains

Only rain in the drain! That's because storm drains and roadside ditches lead directly to our streams and rivers. So, any oil, pet waste, leaves, trash, or dirty water from washing your car that enters a storm drain gets into our streams and rivers.

What can you do?

Simple. These tips will help prevent pollutants from entering our streams, lakes and rivers:

- Keep all litter off the street and place it in receptacles so that it does not get washed down the storm drains.
- Keep leaves, grass clippings, and fertilizers out of storm drains.
- Do not dump motor oil, chemicals, pet waste, dirty or soapy water, or anything else down the storm drain.
- Place dog waste in a trash can. Do not leave it on your yard, in the street or place it in a storm drain. Pet waste can introduce disease-causing bacteria into our water supply.

KEEP OUR WATER CLEAN!

If you observe pollutants entering the storm sewer or stream, please contact Warwick Township at 215-343-6100.

Know Your Local Wildlife – Snakes

Non-Venomous Garter Snakes found in Warwick

Did you know there are twenty-one (21) species of snakes found in Pennsylvania? Of these only three (3) throughout the state are venomous and it is unlikely you will run into a venomous species within the Township. Snakes are cold-blooded, which is why you will often find them basking in the sun on walking paths and rocks when the temperatures are cooler. More times than not snakes will be hiding in the summer to keep their bodies from getting too warm.

All Pennsylvania snakes are protected by the Fish and Boat Commission and do not have a reputation for doing property damage. You may find snake skins but that does not indicate they are living in your structures; snakes tend to enter our spaces to find food such as rodents. Snakes not only keep pest species in check, but they are also an important food source for other animals within our community. If you do encounter a snake don't fear as they will be out of sight in no time!

The Warwick Township Fire Company has been serving Warwick Township since 1958. Dedicated and trained volunteer first responders, consisting of men and women, stand ready to assist you in any emergency and respond 24/7 each day of the year. I am proud to have the opportunity to represent this outstanding all volunteer organization and the privilege to serve you and our community in the role of Fire Chief. I have been a volunteer firefighter with Warwick Township Fire Company for 24 years. I have served in training, mentoring, and leadership roles within the organization. For the past 12 years, I was the Deputy Fire Chief. My family has a long history of membership with Warwick Township Fire Company. I am a third-generation volunteer with the fire company. It is an honor to continue the tradition of volunteering in the fire service and serving my community.

The fire service is challenged with increasing call volumes and decreasing volunteer ranks. I extend an invitation to you to consider volunteering with Warwick Township Fire Company. I am more than happy to meet with you and discuss the skills and training requirements needed to become a volunteer first responder firefighter. For more information about joining Warwick Township Fire Company, visit www.warwickfd.com and select the GET INVOLVED tab. You are welcome to stop by the firehouse – located at 2390 York Road, Jamison – on any Tuesday evening 7-9 p.m. to learn more about Warwick Township Fire Company, meet with company members, observe a training drill, receive a firehouse tour, and complete a membership application.

Please don't hesitate to contact the fire company if you have any fire safety questions or need assistance with creating a fire escape plan for your residence. I welcome your comments and suggestions to let me know how the fire company may better serve you and improve the service we provide. You can send questions and comments to communityrelations@warwickfd.com or call 215-343-9971 and I will personally respond back to you.

Thank you for the tremendous support you give to Warwick Township Fire Company. I look forward to working with you and keeping Warwick Township a safe place to live, work, and visit.

Sincerely,
Aaron McCarty, Fire Chief

The Central Bucks EMS annual subscription drive is in the mail!

Our annual subscription mailing is vital to supporting our annual budget. The annual subscription drive is not only a substantial revenue source for us annually, but is also important in assisting subscribers to avoid deductibles and co pays if there is an unfortunate medical emergency. Please take a moment to read the brochure and learn more about the benefits of becoming an annual subscriber.

Billing revenue alone cannot support our annual operation cost and we are very reliant on the success of our annual subscription drive. Your support is vital to helping keep Paramedic units ready to answer your emergency call 24 hours a day.

The following link can be used to pay directly online: _

CREMATION SHOULD NOT BE OUTSOURCED

Most funeral homes use a third-party contract crematory. Varcoe-Thomas assures every step of care for your loved one is managed within our private facility. If you choose cremation, let our family care for your family.
