## From the Board of Supervisors . . .

Over the last 50 years, volunteerism in Pennsylvania local fire companies has dramatically reduced. In the 1970's, there were about 300,000 fire company volunteers in Pennsylvania. The number of volunteers is now under 50,000.

To slow this trend and help rebuild the membership, Warwick Township has engaged in a multi-faceted approach centered on property tax rebates, stipends, and incentives. Over the last several years, the Township has contributed to the Warwick Township Fire Company's stipend program which provides members with cash incentives based on their individual call volume.

Furthermore, Warwick Township, through the Bucks County Consortium of Communities, engaged Bucks County to offer a \$1,000 property tax rebate for volunteer firefighters. The county, thankfully, approved the program. Shortly thereafter, Central Bucks School District approved a separate \$1,000 property tax rebate program. Our goal is that these numerous rebates and incentives can add up to a meaningful sum in order to demonstrate to our volunteer firefighters that their time is appreciated and hope to drive others to join.

- For information on the county's tax rebate program, please visit:  
<https://www.buckscounty.gov/2051/Tax-Rebate-Program-for-Emergency-Volunte>
- For information on the school district's tax rebate program, please visit:  
<https://www.cbsd.org/departments/business/contact-us>

While these measures have aided our fire company and its members, they still need more help. That is why the Township hired two part-time firefighters in 2025, created a Fire Services Coordinator position, and are adding five more part-time firefighters for 2026. This marks a significant shift for our Township. Our fire company operated as a 100% volunteer-based organization for many decades. As the makeup and demographics of Warwick Township shift, the Township and fire company must also adjust our operations to ensure we continue to provide excellent emergency services to our 15,000 residents.

As we transition to a combination (volunteer/career) department, our need for volunteers does not end. If you are interested in assisting the fire company in any capacity, please contact the fire company directly.

To volunteer:

- You may visit the fire company on Tuesday evenings at 7pm to take tour, ask questions, or just check out the fire engines (2390 York Rd, Jamison)
- You may visit the fire company website at [www.warwickfd.com](http://www.warwickfd.com)
- Or you may email the fire company at [CommunityRelations@warwickfd.com](mailto:CommunityRelations@warwickfd.com) or call at (215) 343-9971

Lastly, the Warwick Township Board of Supervisors, while strengthening our emergency services, has done so without increasing property taxes since 2010 or issuing bonds to accrue debt. Notwithstanding, the Township remains in a strong financial position.

For more immediate Township news, we ask that you follow Warwick Township on Facebook, X, Instagram, or the Township website.

# Community Financial & Quality-of-Life Report

As spring arrives and residents head outdoors to enjoy our parks, trails, and neighborhoods, it's a great time to reflect on how Warwick Township compares to surrounding Bucks County communities—both financially and in quality of life.

## Tax Millage & Stability

Warwick Township has adopted a 2026 real estate tax rate of **15.25 mills**, entering its **16th year of no increase** in the total millage rate. Municipal tax rates among neighboring Bucks County Townships differ significantly:

Township	2026 Millage Rate	Years Since Increase
Buckingham	4.75*	1
Wrightstown	13.5	1
Warwick	15.25	16
Doylestown	22.1	0
Warminster	24.06	5
Warrington	25.79	3
Northampton	35.25	0

*\*Buckingham Township's low millage rate is, in part, due to significantly higher Earned Income Tax revenue.*

One of Warwick Township's most notable achievements is its 16-year history of no tax increase. While many surrounding townships have periodically adjusted their tax rates to meet rising expenses, Warwick has remained steady. This consistency provides predictability for homeowners and demonstrates disciplined financial planning.

## Debt

Warwick's financial planning emphasizes minimal long-term debt. Since the satisfaction of all long-term debt in 2021, Warwick has remained **debt free**. All Warwick's neighboring municipalities maintain some level of debt.

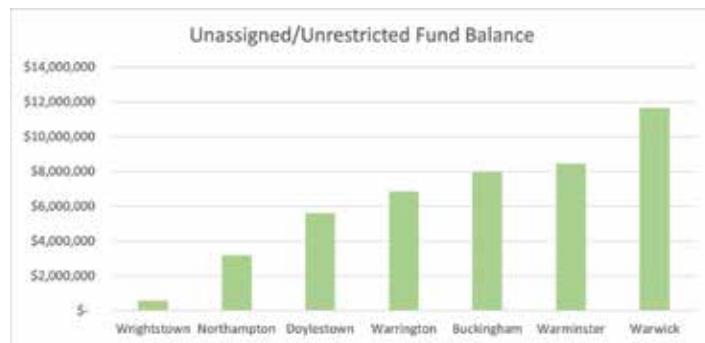

Township	Long-Term Debt (2025)
Warwick	\$0
Wrightstown	\$557,698.00
Buckingham	\$6,354,770.00
Warminster	\$13,134,000.00
Doylestown	\$23,306,000.00
Warrington	\$21,242,504.00
Northampton	\$48,587,304.00

## Fund Balance

Warwick holds a **healthy fund balance** relative to many of its neighbors. This strong reserve reflects conservative budgeting, careful planning, and a commitment to maintaining financial stability for our community. Having a solid fund balance helps ensure that, even in uncertain economic times, Warwick can continue to provide quality services without major disruptions or sudden tax increases.

While some nearby townships have lower reserves, Warwick's approach has prioritized sustainability and flexibility. This means we're better positioned to respond to unexpected needs and obtain reimbursement-style grants.

The chart below shows how Warwick compares to surrounding municipalities:

## Recreation

Township	Parks Per Capita
Warrington	1 : 1,508
Warwick	1 : 1,856
Doylestown	1 : 2,567
Warminster	1 : 2,585
Wrightstown	1 : 3,286
Buckingham	1 : 5,213
Northampton	1 : 7,983

Warwick also boasts the **second-lowest park-to-resident ratio** of its neighboring municipalities, with about 1,856 residents per park. This means our parks are less crowded than many others in the area.

Some neighboring townships have far more residents per park, which can put more pressure on their outdoor spaces.

Overall, this highlights Warwick Township's strong commitment to outdoor recreation and the value it brings to our community.

# Warwick Township Police Department

## Farewell to Chief Mark Goldberg:

Warwick Township bids a warm farewell to Chief Mark Goldberg, who retired on January 9, 2026, after a distinguished 38-year career in law enforcement. Having served as Chief of Police since 2011, Chief Goldberg has made a lasting mark on our community and the field of policing.

Chief Goldberg began his Warwick Township law enforcement career in 1988 and rose through the ranks due to his commitment to public safety and continuous professional development, including earning a Juris Doctor in early 2000. Throughout his career, Chief Goldberg demonstrated an innate understanding of the legal and ethical foundations of policing.

In his role as the Warwick Township Emergency Management Coordinator, Chief Goldberg demonstrated outstanding crisis-management skills, preparing the township to address challenges with resilience. His strategic vision extended beyond crisis management, helping shape the future of policing in Bucks County.

As President of the Central Bucks County Special Response Team, Chief Goldberg fostered collaboration and innovation among regional law enforcement agencies, ensuring that best practices were shared and consistently implemented. His leadership was instrumental in driving significant advances in policing strategies.

Chief Goldberg was among the first in Bucks County to integrate modern technology into police operations. Under his guidance, Warwick Township was among the first to implement in-car cameras, enhancing transparency and accountability. Recognizing the importance of adapting to changing conditions, he was also an early advocate for adopting less-lethal police force options, thereby promoting safer interactions between officers and the community.

One of his most enduring legacies is the modernization of police technology. Chief Goldberg's foresight ensured that Warwick Township remained at the forefront of technological advancements, greatly improving operational efficiency and enhancing public safety.

We extend our deepest gratitude for his years of service and wish him a fulfilling and enjoyable retirement. Thank you, Chief Goldberg, for your dedication and leadership.

## New Chief of Police, Jon Ogborn

With the retirement of Chief Mark Goldberg, we are pleased to announce that Deputy Chief Jon Ogborn has been promoted to Chief of Police. This promotion ensures continuity and stability. Chief Ogborn has been a lifelong public servant, serving as a volunteer and career firefighter/EMT and advancing through all ranks within the Warwick Police Department. This stands as a testament to his dedication to public safety and to our community.

Chief Ogborn holds a bachelor's degree in public safety administration and a master's degree in business and organizational leadership. Chief Ogborn is well-equipped with a deep understanding of law enforcement operations and strategic leadership. His education at the Northwestern University School of Police Staff and Command further strengthened his skills in organizational behavior and resource management.

Chief Ogborn joined our department over 26 years ago and has served in pivotal roles, demonstrating his commitment to effective law enforcement and the community. His vision includes building a strong leadership pipeline, enhancing community engagement, and leveraging technology for innovative policing strategies. This vision has been evident in initiatives such as managing and obtaining the department's Pennsylvania Law Enforcement Accreditation and securing impactful grants that funded body cameras and enhanced departmental technology.

Throughout his career, Chief Ogborn has navigated complex operations and crisis management as the former Tactical Team Leader and current Deputy Commander of the Central Bucks Special Response Team. His understanding of our community's needs has consistently enhanced our department's effectiveness and strengthened trust between law enforcement and the residents we serve.

Please join us in congratulating Chief Jon Ogborn as he steps into this vital leadership role.

# Protecting Yourself From Internet Scams and Fraud

As online activity continues to grow, so do the opportunities for scammers to target unsuspecting individuals. The Warwick Township Police Department is committed to helping our residents stay safe—both in our community and online. Understanding common scam tactics and knowing how to respond can significantly reduce your risk of becoming a victim.

## Common Types of Internet Scams

### 1. Phishing Emails and Texts

Scammers send messages that appear to come from trusted organizations—banks, delivery services, government agencies—requesting personal information or urging you to click harmful links.

### 2. Online Marketplace Scams

Fraudsters may post fake items for sale, attempt to overpay and request a refund, or refuse to meet in person for exchanges.

### 3. Tech Support Scams

Pop-up messages or unsolicited calls claim your computer has a virus and ask you to grant remote access or pay for unnecessary services.

### 4. Romance and Social Media Scams

Scammers create fake profiles to build trust before asking for money, gift cards, or personal information.

### 5. Investment and Cryptocurrency Scams

“Guaranteed returns” or pressure to invest quickly are major red flags.

### Warning Signs of Fraud

- Requests for payment through gift cards, wire transfers, or cryptocurrency

- Unsolicited messages asking for personal or financial information
- High-pressure tactics demanding immediate action
- Email addresses or links that look unusual or slightly misspelled
- Offers that seem too good to be true

## How You Can Protect Yourself

- **Never share** passwords, Social Security numbers, or banking information through email or text.
- **Verify before you click.** Hover over links to check their true destination.
- **Use strong, unique passwords** and enable **two-factor authentication** on your accounts.
- **Keep devices updated** with the latest security patches and antivirus software.
- **Be cautious** when buying or selling items online. Whenever possible, meet in well-lit public areas.
- **Trust your instincts.** If something feels off, it probably is.

## We're Here to Help

Your safety is our priority. If you have any questions, concerns, or if something online seems suspicious, please contact the Warwick Township Police Department at (215) 343-6102 OR call 911 after hours to request an officer. We are here to assist, answer questions, and help determine whether a situation may be fraudulent.

Staying informed and alert is one of the best defenses against online scams. Together, we can keep our community safe—both on the streets and on the screen.

# Planning & Zoning

## Warwick Township Maintains ‘Class 7’ FEMA Community Rating

FEMA's community rating system is a voluntary program that rewards communities for floodplain management practices which go above standard requirements of the National Flood Insurance Program (NFIP). The goal of the program is to help prevent or reduce flood losses while also giving discounts on flood insurance based on the classification a community is given by FEMA.

FEMA decides a community's rating based on the floodplain management activities a community completes. Activities include permitting requirements, outreach projects, flood protection education, flood insurance promotion and more.

During the fall of 2025, Warwick Township successfully completed the renewal process for membership in the program. We are proud to announce that the Township will maintain its Class 7 rating which provides residents who purchase or renew flood insurance with a fifteen percent (15%) discount for most NFIP policies!

Even if you are not close to a waterway, flooding can still occur, please get flood insurance.

# Walton Road Stabilization Project

Warwick Township is pleased to announce the successful completion of the Walton Road Stabilization Project. Over time, the streambank along Walton Road had been steadily eroding due to the Little Neshaminy Creek, located off Rushland Road. To address this concern, the Public Works Department, under the direction of Mark Rambo and Rob Gourley, carried out a two week stabilization effort. This project was essential to protect the roadway's structural integrity and ensure continued access to the Ross Mill Farm. Their efforts reinforce Warwick's commitment to maintaining safe, reliable infrastructure for the community.

## 2025 Sidewalk Program

The 2025 Sidewalk Program was wrapped up in late Fall of 2025. Three new connections were added to make it easier and safer to get around our community.

Sidewalks were added:

- Along Guinea Lane
- On the corner of Guinea Lane and Almshouse Road
- Along Almshouse Road near Sunrise Way

The 2026 program includes adding a sidewalk along Almshouse Road between CVS Pharmacy and St. Cyril's Church. Warwick Township continues to improve walkability throughout the township with these sidewalks. Enjoy walking!

# Spring Yard Care Tips to Help Prevent Stormwater Pollution

## Plant a large stature tree

- Large trees are great stormwater control. They can intercept over 1,000 gallons of rainwater each year. Where possible, plant a large broad-leaf tree such as an oak, maple, or black gum.

## Consider planting natural, warm season grasses

- Native warm season grasses have extensive roots of 3 to 7 feet deep that enrich the soil and absorb many times the amount of rainwater that turf grass does. The grasses also help to filter out harmful nutrients which degrade our streams.

## Get your soil tested before fertilizing

- Avoid applying too much fertilizer. Purchase a soil test kit from your local Penn State extension and submit soil samples from your lawn to determine the nutrients that may be lacking. Visit [www.aasl.psu.edu](http://www.aasl.psu.edu) for more information.

## Leave grass clippings for a free fertilizer alternative

- Cut grass at 2½ to 3 inches tall. Mow often enough so that clippings are not longer than one-third (1/3) of the grass blade, so they can decompose easily into the soil.
- Spare your stream by avoiding spring fertilization and leave your grass clippings on your lawn instead. Grass clippings supply between 25% and 50% of nitrogen and phosphorus needs.

If you observe pollution entering the stormwater collection system, stream, creek or river, please call Warwick Township at 215-343-6100.

## Warwick Township Summer Day Camp

Warwick Township's Summer Day Camp is back! Join us for eight weeks of fun and excitement. Day Camp runs Monday through Friday from 8:30 am to 4:30 pm. Between arrival and pick up, the day is jam packed with games, crafts, trips, and much more. On Tuesdays, Campers experience in-house events such as traveling mini-golf, game shows, foam parties, etc. Wednesday mornings are spent swimming at Warrington Swim Club and Thursdays are reserved for amazing trips to local attractions. On Fridays, we continue the popular tradition of Pizza lunch for only \$1.00 per slice. It is our goal for your camper to have a FANTASTIC summer, filled with exciting experiences, and to take away memories that will last forever!

For more Day Camp information, visit the Parks and Recreation website. Go to [www.warwickrec.com](http://www.warwickrec.com), under the Activities heading. ## Warwick Teen Camp

A time-honored summer tradition in Warwick Township returns for another 3 sublime weeks for our teens. This is the perfect camp for kids who have aged out of our highly popular Day Camp. Catering to teens between the ages of 12 and 15, each week's activities vary so no week is the same.

Each day begins with parent drop off at Guinea Lane Park. There, campers will board a school bus and head out on the day's adventure. Departure time may vary depending on what location the camp is headed to. The camp may head to an amusement park, a water park, or the beach (a Teen Camp favorite). Whatever the day's scheduled trip, you will be sure that your teen will have an amazing 4 days with their friends each week.

While there are adult camp counselors that accompany the campers to each location, teens have a lot of freedom to explore and learn to be responsible young adults. Campers will be gone for the whole day. We want to maximize the time spent at each site and with some locations further than others, it makes it difficult holding on to a certain drop off and pick up schedule. Most days we will leave the park between 8am and 9am and return home between 5pm and 7pm. This is a rain or shine camp and there will be no refunds. If we encounter inclement weather, we will make every effort to organize an alternative trip.

There are only 44 spots for each week, and they fill up FAST!

Don't miss out on the best 3 weeks of your entire summer! Check [www.warwickrec.com](http://www.warwickrec.com) for more information.

## Warwick Township Movies in the Park 2026

Warwick Township's Summer Movie in the Park Series is back for Summer 2026! Grab your blankets and chairs to join us Wednesday nights, on the field behind the Large Pavilion of The Community Park. Each movie will start at sundown (approx. 8:45 pm). Movies are projected on a gigantic, 16-foot movie screen, with an amplified sound system. To enhance your movie going experience, stop by the Large Pavilion to purchase all the refreshment essentials, candy, soda, and water!

This series was happily sponsored in 2025 by The Goddard School-Jamison, PECO, Elite Office Solutions, CKS Engineers, Eckert Seamans, Grocery Outlet, and Grim, Biehn & Thatcher. If you or your business is interested in joining this wonderful group of sponsors, please contact Dan Sharapan, Director of Parks, Recreation & Open Space at [dsharapan@warwickbucks.gov](mailto:dsharapan@warwickbucks.gov).

**Wednesdays - June 17, July 8, July 22, August 5**

Check our website at [warwickrec.com](http://warwickrec.com) for movie listings.

## Greetings from the Tax Office

### Moving On To 2026!

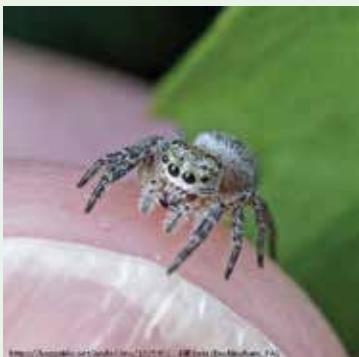

2026 County Township Real Estate tax bills will be mailed by March 1st. The discount due date is April 30th - June 30th at no discount. Central Bucks School real estate tax bills are mailed by July 1st. They are due at discount by August 31st - October 31st at no discount. There is also an installment option. Three payments due by August, September and October. There is no discount for installments.

Please call the tax office if you do not receive your tax bill or have questions. Properties with assessment changes will receive a notice from the Bucks County Board of Assessment. Interim bills will then be mailed. New homeowners or a property with a deed change last year, please remember to apply for the Homestead credit. You may receive a notice from the Bucks County Board of Assessment. This form is due to them by March 1st for 2026.

Please update the office of any address changes. You may also add your email to the reminder list by sending an email to me with reminder list in the subject column.

When using the outside Drop Box for payments please check the slot to make sure they dropped in the box. You can contact Denise at 215-491-0611 or e-mail [warwicktaxbetts@aol.com](mailto:warwicktaxbetts@aol.com).

ALL RESIDENTS PLEASE REMEMBER WE HAVE A 1% EARNED INCOME TAX. You must file an annual return with Keystone Collections by April 15th. This office collects only real estate taxes. The earned and LST Tax Collector is Keystone Collections. You can contact them at 1-888-328-0565 or visit their website [Keystonecollects.com](http://Keystonecollects.com).

## KNOW YOUR LOCAL WILDLIFE

### *Importance of Spiders*

Spiders often get a bad reputation for being creepy and crawlly, but did you know they provide several valuable services? Many may already know that spiders are a natural form of pest control. Spiders keep insect populations under control including mosquitoes and flies that can carry disease. They are also considered to be an indicator of ecosystem health; a healthy population of spiders can mean the ecosystem is balanced in predator-prey. Spiders are an important part of the food web serving as an essential food source for those species above them while also controlling those below them. Spiders have had an important role in medicine and science by using their venom and silk (or webs). Spider webs are also used by birds to create their nests. Spider silk is strong and can expand which allows the nest to handle multiple young and their growth. Next time you go to squish a spider or remove a web you may want to consider the benefits they provide.

## CREMATION SHOULD NOT BE OUTSOURCED

Most funeral homes use a third-party contract crematory. Varcoe-Thomas assures every step of care for your loved one is managed within our private facility. If you choose cremation, let our family care for your family.
