From the Board of Supervisors . . .

From the Board of Supervisors...

As our nation celebrates America's 250th this year, it's worth remembering that a piece of that history runs right through Warwick Township.

Warwick is known as the Heart of Bucks County, and Old York Road has been at the center of our story for more than 250 years. Long before it became the busy corridor we know today, Old York Road served as one of the primary routes connecting Philadelphia and New York and played an important role during the Revolutionary War.

In August 1777, General George Washington and the Continental Army traveled along Old York Road and established headquarters at the Moland House. For thirteen days, Warwick Township became the center of important military planning as Washington and his officers prepared for the Philadelphia Campaign. Today, Moland House remains one of our community's most treasured historic landmarks and a lasting reminder of Warwick's place in our nation's founding.

York Road remains a significant transportation corridor, but also connects our neighborhoods, businesses, historic sites, and gathering places. We recognize the importance of the York Road corridor to Warwick's identity and have prioritized efforts that improve its functionality while enhancing its character and overall appeal for residents and visitors alike.

As we commemorate America's 250th anniversary, we are reminded that Warwick Township is part of that story. From the historic Moland House to the enduring presence of York Road, our community helped shape a defining chapter in our nation's founding. To honor that legacy, we remain committed to preserving the landmarks, character and sense of community that have made Warwick a special place for generations.

For more than 250 years, York Road has connected Warwick Township to the story of America. In 1777, General George Washington established his headquarters at the Moland House, situated on Old York Road, during the Revolutionary War.

Enhancing the beauty, character, and sense of place along York Road remains a priority for Warwick Township's future.

Did You Know?

During George Washington's stay at Moland House, several future leaders of our young nation were part of his staff, including Alexander Hamilton, who served as Washington's aide-de-camp years before becoming the nation's first Secretary of the Treasury.

Lastly, the Warwick Township Board of Supervisors has remained committed to providing these experiences and amenities without increasing property taxes since 2010 or issuing bonds to accrue debt. Notwithstanding, the Township remains in a strong financial position.

For more immediate Township news, we ask that you follow Warwick Township on Facebook, X, Instagram, Threads, or the Township website.

Warwick Township Police Department

E-Bike Regulations and Safety, Chief Jon Ogborn

As we continue to strive for a safe community, addressing the growing concerns around the use of e-bikes is essential. The police department understands the convenience and enjoyment these bikes provide, especially for our younger residents. However, it's important to remember the responsibilities that come with their operation.

Pennsylvania law classifies e-bikes as "pedalcycles with electric assist," which means they are subject to specific regulations. In Pennsylvania, riders must be at least 16 years old to operate an e-bike! E-bikes are legal if they are pedal-assist, weigh ≤100 lbs, have a motor ≤750W, and a top motor-assisted speed of 20 mph. It is crucial for every e-bike operator to respect private property and public spaces where these vehicles may be prohibited.

Every local community, including Warwick Township, has seen an uptick in unauthorized e-bike use, leading to complaints and serious safety concerns. Sadly, the number of e-bike-related accidents and injuries is increasing. The police department is actively monitoring these activities and will issue citations for violations when appropriate. This

may include impounding e-bikes and taking enforcement action against guardians if minors are found operating these vehicles unlawfully.

Education and awareness are critical in addressing this issue. Parents and guardians, please take a moment to discuss the importance of safety and legal compliance with your children. Encouraging them to understand and follow the law and community rules not only protects them but also respects the rights of others. Let's work together to ensure our community remains a safe and enjoyable place for everyone.

If you have any questions or need more information about e-bike regulations, please do not hesitate to contact the police department (215-343-6102). Your cooperation and active participation in promoting a secure neighborhood are greatly valued. Thank you for your attention to this important matter.

Warwick Township Police Department

Most Common Police Questions

How do I report a crime, suspicious activity, or incident?

Reporting a crime is a crucial step in maintaining the safety and well-being of our community. Officers are on duty 24/7, 365 days a year. If you witness or become aware of a crime, suspicious behavior, or any other incident, **please call immediately**. Oftentimes, complainants wait until business hours to call, which puts us behind the curve. Here are the steps you can take:

- **Emergency Situations:** If the crime is currently happening or if there's an immediate threat to life or property, **call 911 right away**. This directs you to the Bucks County Dispatch Center. It is important to understand that the dispatchers are not located in Warwick Township. They are, however, extremely knowledgeable about all of Bucks County, but may not be familiar with specific landmarks relevant to your situation. Provide clear details about the location, nature of the crime, and any descriptions of individuals involved.
- **Non-Emergency Situations:** For crimes that have already occurred and do not pose an immediate danger, contact the Bucks County Dispatch Center through their non-emergency number **215-328-8502**. This can include incidents such as theft, vandalism, or noise complaints.
- **Visit the Police Station:** Office hours are Monday through Thursday from 8 a.m. – 4 p.m., and on Friday from 8 a.m. – 3 p.m. There is a phone outside the police lobby that connects to the Bucks County Dispatch Center for after-hours needs. It is important to note

that although officers are on duty 24/7, 365 days a year, they may be on patrol or assigned to another incident and not immediately available. Therefore, this method is not the most efficient method to speak with an officer.

- **General questions:** Administrative staff is available during regular business hours to answer non-emergency questions. This may include records requests, solicitor permit requests, and general questions. The office phone number is 215-343-6102. **PLEASE DO NOT CALL THIS NUMBER TO REPORT A CRIME OR INCIDENT.** Office hours are Monday through Thursday from 8 a.m. – 4 p.m., and on Friday from 8 a.m. – 3 p.m.

Regardless of the method you choose, be sure to provide as much detail as possible when reporting, including times, locations, and descriptions, to help the police address the situation effectively. Remember, your involvement is vital in keeping our community safe.

How can I stay informed about local emergencies and alerts?

The Township and the police department use several social media platforms to post updates. Most police events are cross-posted.

SHOP WITH A COP

**Warwick Township Police Department
In Partnership with Surrounding Law Enforcement Agencies**

The Warwick Township Police Department and officers from surrounding police departments are preparing for our **SHOP WITH A COP** event, which will take place in December 2026. **Please help us make the holidays brighter for children in our community!**

SHOP WITH A COP is a national program pairing police officers with children at the elementary school level to afford them a better Holiday Season. The program allows children to view police officers in a different atmosphere to promote positive relationships. The children are faced with life challenges such as a parent losing a job, homelessness, military deployment, economic shortcomings, and other hardships.

SHOP WITH A COP is funded through generous donations from our own community, from private sponsors, and local businesses. Volunteers from our community help with gift wrapping, hosting, and registration. Each child is allotted a monetary gift card to purchase gifts for themselves and family members, allowing for a more enjoyable holiday. All participating police officers volunteer their own time to support the program.

SHOP WITH A COP was created to help make the holidays brighter for disadvantaged families. **We cannot do it without your support!** Questions or sponsorship information - please contact Lieutenant Aaron Richwine 215-343-6102, ext. 411 or arichwine@warwickpolice.org.

Pool (Hot Tub & Spa) Water Discharge – Do's & Don'ts

Getting rid of pool, hot tub, and/or spa water may seem like a simple task to complete but there is a right and wrong way to do it. Doing maintenance on these systems often requires the chemically treated water to be discharged, including backwash from filters. The chemicals contained in this water make it 'polluted wastewater'. This water is not allowed to directly or indirectly discharge into waters of the commonwealth, including storm sewers. Storm sewers and stormwater facilities within Warwick Township discharge into the Neshaminy Creek. If you look at a storm drain near you and you are likely to find an informational placard.

Per section 157-32.B of the Warwick Township Code of Ordinances roof drains, yard drains, sump pumps and other piping shall not discharge directly to streets. Stormwater sewer systems in the street were not constructed to handle water from private properties which can result in damage to public facilities. As noted above these systems drain into waterways of the Commonwealth which are regulated by the State. It is illegal for any water other than stormwater to enter the Waters of the Commonwealth without special permitting from the State and/or Federal Government. When contaminated water enters waterways it destroys the health of the ecosystem which impacts wildlife, their habitat and recreational activities for people.

It is up to property owners to ensure treated water is properly neutralized (i.e. reduce or eliminate chemicals) and discharged appropriately. The Township recommends the neutralized water be allowed to slowly spread across lawn areas to seep into the ground and avoid heavy/direct flows that can cause erosion. Discharge points are recommended to be at least 20 feet from any property line, they are not to be directed into a stormwater management facility (i.e. swale, basin, rain garden, etc.) and shall not increase flows onto neighboring properties nor streets or sidewalks.

With this information we hope that we can maintain our infrastructure and natural resources in a way that is beneficial for all.

Know Your Local Wildlife – Food Is Falling

In Fall, several tree species drop their nuts and wildlife will start their buffet. Did you know nuts are hard-shelled fruit containing an edible seed? One tree is of particular importance due to how many species of wildlife rely on them, the Oak! There are various types of Oaks within the Township including Red Oak, Pin Oak and Swamp White Oak. Oak trees grow nuts called acorns which provide valuable nutrition and energy to wildlife preparing for Winter. You may notice deer collecting around certain trees, most likely Oak species. Small mammals and birds will collect and store acorns for future use but often they are never found, leaving them to grow into a new tree. Acorns may drop early and before they are edible, if the tree is experiencing stress. The trees do this to preserve energy and ensure their own survival. You may notice other nuts from different tree species within the Township such as Black Walnut and Shagbark Hickory.

Denise Betts, Tax Collector

Happy Fall From The Tax Office

Real Estate tax bills for 2026 were mailed March 1st and July 1st. School taxes are due at discount by August 31st or full payment by October 31st. If you did not pay the County/Township tax bill, they are in penalty now. Liens for unpaid County/Township tax bills for 2026 will be turned over to Bucks County Tax Claim by December 31st. Liens for unpaid school bills will be turned over to Portnoff Law Associates via Central Bucks School District by December 31st.

Please update the Tax Office of any address changes. New homeowners or deed changes, please remember to apply for the Homestead reduction through the Bucks County Board of Assessment by March 1, 2027.

The Tax Office has a generic e-mail reminder list of mailings and due dates. If you would like to be included, please send an email to Denise - subject e-mail list and you will be added. To contact Denise at the Tax Office call 215-491-0611 or e-mail Warwicktaxbetts@aol.com. This office collects only real estate taxes. The earned and LST Tax Collector is Keystone Collections. You can contact them at 1-888-328-0565 or the website Keystonecollects.com. File your local return with Keystone by April 15th, every year.

Ways Everyone Can Help Keep Our Streams Clean

As part of our Stormwater Permit with the Pennsylvania Department of Environmental Protection, the Township is required to help prevent pollution and keep our streams clean for drinking water, irrigation, fishing and enjoyment by the public. Here are some ways you can help keep our streams and rivers clean:

1. Keep your nearest storm drain clear of debris and litter
2. Never dump anything down a storm drain
3. Use fertilizers sparingly
4. Use pesticides only when necessary
5. Do not blow grass clippings or leaves into the street
6. Sweep up yard debris rather than hosing down paved areas
7. Compost or recycle yard waste
8. Pick up pet waste and dispose of properly
9. Use a commercial car wash or wash your car on an unpaved area
10. Service your car regularly to prevent leaks onto paved areas
11. Dispose of Household Hazardous Waste at designated collection locations
12. Produce less waste – Reduce, Reuse, Recycle
13. Purchase and use nontoxic, biodegradable, recycled or recyclable products whenever possible
14. Have your septic tank pumped and system inspected at least every three years

For more stormwater information, please visit the Township website at <https://warwick-bucks.com/stormwater-management/>

For any questions or concerns regarding stormwater or If you observe pollutants entering the storm sewer or stream, please call the Township at (215) 343-6100.

Permit Submission FAQs

As summer comes to an end, there is still time to complete those last-minute projects around the house. Just be sure to contact Warwick Township to verify whether permits are required for your project. Below are some common projects that do require permits:

Fences:

A Zoning Permit and Fence Supplement are needed for this project. Along with the application submission, a site plan showing the location of the fence must be submitted. If your property has a pool, a Building Permit is also required for the fence. The Building Permit application should be submitted with the fence specifications, including details of the gate locking mechanisms.

Shed:

Sheds do require permitting. If the shed is larger than 144 sq. ft., both a Building and Zoning Permit are required, along with a site plan and construction specifications. If the shed is 144 sq. ft. or smaller, only a Zoning Permit is needed.

HVAC Systems:

HVAC system installations or replacements are among the most common projects for which homeowners mistakenly assume a permit is not required. A Building Permit will need to be submitted for review by our Building Inspector. Specifications of the HVAC system must also be submitted for formal review.

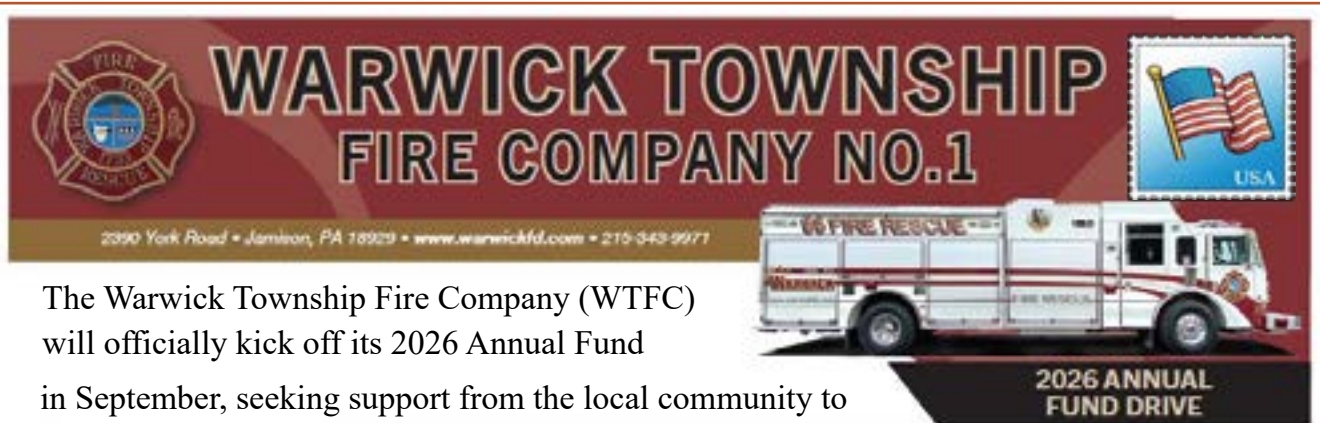

Please note, with any permit application that is submitted, a non-refundable \$50.00 permit deposit is required at the time of submission. This deposit will be applied to the final balance of the permit. Residents should review the Warwick Township Fee Schedule on our website for additional information.

Should you have any questions about your permit submission, please contact the Warwick Township administration office at (215) 343-6100 or visit our website at www.warwick-bucks.com and use the "Contact Us" page.

Fire Services Department

Warwick Township's decision to expand 10 part time career firefighters in 2026 has already transformed local emergency response. With volunteer numbers declining, the new hires have cut average response times from 6-7 minutes in 2025 to just 2-3 minutes in 2026, a dramatic improvement that can make all the difference in critical situations. Beyond emergency calls, the career staff are also conducting thorough, commercial fire inspections, strengthening prevention efforts, and helping keep the community safer overall.

Michael Abbott, Fire Inspector/Fire Fighter

The Warwick Township Fire Company (WTFC) will officially kick off its 2026 Annual Fund in September, seeking support from the local community to continue providing top-tier emergency services. Donations can be made by cash or check via the envelope mailed to all Warwick addresses, or securely online through PayPal on our website: www.warwickfd.com WTFC is a 501(c)(3) non-profit organization and donations are tax-deductible.

Check out our social media accounts for upcoming events, safety tips, and company happenings.

FIRE PREVENTION OPEN HOUSE & TRUCK-OR-TREAT

FRIDAY, OCTOBER 9
6:30 - 8:30 PM

Come truck-or-treat with us!
Show up to fire prevention in your Halloween costume and visit every
fire truck and emergency vehicle to receive some delicious treats!
We look forward to seeing everyone's costumes!

Public Works

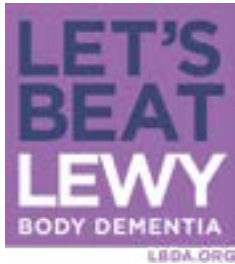

PA One Call Information

You may notice temporary colored lines or flags appearing in your yard or along the street. These markings are placed by utility companies in response to a PA One Call (811) request, which is required before any digging or construction work occurs. Each color represents a different type of underground utility—such as red for electric, yellow for gas, blue for water, green for sewer, and orange for communication lines—so crews can work safely without damaging essential services. These markings are not permanent and will fade or be removed once the project is complete. Their purpose is to protect residents, workers, and utility infrastructure.

Rob Gourley, Assistant Director of Public Works

APWA/CGA Temporary Marking Color	
	WHITE - Proposed Excavation
	PINK - Temporary Survey Markings
	RED - Electric Power Lines, Cables, Conduit and Lighting Cables
	YELLOW - Gas, Oil, Steam, Petroleum, Gaseous and Hazardous Materials
	ORANGE - Communications, Alarm or Signal Lines, Cables or Conduit, and Traffic Loops
	BLUE - Potable Water
	PURPLE - Reclaimed Water, Irrigation and Slurry Lines
	GREEN - Sanitary and Storm Sewer Lines

13th Annual Lewy Body Dementia Awareness Walk

SUNDAY, SEPTEMBER 27, 2026 • 10:00 AM

Warwick Township Community Park - 1733 Township Greene, Jamison, PA 18929

Presented by Warwick Township Parks and Recreation

The walk benefits the Lewy Body Dementia Association. Lewy Body Dementia (LBD) is often misdiagnosed and affects over 1.4 million Americans and their families. The goal of this 5K walk is to raise funds and awareness for a great cause! Strollers and pets will be permitted / Registration opens at 9:00 AM / NO REFUNDS – Walk held rain or shine.

\$25 REGISTRATION FEE includes: participant bag and t-shirt (*Registration by September 12th guarantees a shirt*)
***\$30 DAY OF THE WALK** • *Children under 12 are free!*

REGISTER ONLINE WITH A CREDIT CARD: www.warwickrec.com

Any questions about the walk or sponsorship opportunities, please contact Tina Christie at tina.christie@comcast.net or 215-932-9645.

**FREE
SEMINAR**

Know Your Medicare Options Seminar

Join Steve Perlman, a DelVal Senior Advisor to learn about all things Medicare! Have your questions answered so you can make the right choice when planning for your future. Registration is preferred for this seminar, but walk-ins will be accepted. Visit www.warwickrec.com, to create an account and register. Contact Kristen Belles (kbelles@warwickbucks.gov), Program Coordinator, with any questions.

WHEN: Thursday, October 8th
TIME: 6:30pm – 8:00pm

To participate, gather your family or friends and use your imagination to create your submission. Pay homage to your favorite sports team, get inspired by current pop-culture trends, or perhaps promote your business! The sky is the limit, just be creative! All entries will be on display throughout the Administration Office parking lot. **Public voting will take place during the Halloween Happening on Thursday, October 29, 2026.** Entry categories include Local Businesses, Families, and Schools/Scouts (categories are subject to change based on the number of entries). The scarecrow(s) with the most votes will be crowned the showdown champion and awarded a prize! Scarecrow drop off will begin **October 1, 2026 and close October 23, 2026**

*If you have questions please contact
Kristen Belles, Program Coordinator, at kbelles@warwickbucks.gov.*

HALLOWEEN COSTUME DONATION VAULT

With Halloween right around the corner, it's time to think about costumes! If you're cleaning out the old to make room for the new, consider donating them to the Warwick Township costume vault. The collection for costumes will begin on **October 1, 2026**. Please bring all donations to the Warwick Township Administration Office during business hours (Monday-Thursday from 8am-4pm and Friday 7am-3pm). **The vault will open on October 12, 2026.** Anyone who needs a costume is welcome to come and "shop" the vault, free of charge. We will happily accept costume donations through **October 23rd**. All remaining costumes will be available at the annual **Halloween Happening on October 29th**.

Please contact Kristen Belles, Program Coordinator, (kbelles@warwickbucks.gov) with any questions.

Halloween Happening 2026

Put on your best Halloween costume and join the **Parks and Recreation Department** for another year of the popular **Halloween Happening!** During this trunk-or-treat style event, stop by each candy sponsor to collect candy and other Halloween goodies! While you're at it, vote for your favorite scarecrow from the **Scarecrow Showdown** or browse through our Costume Vault, where you may find your next Halloween costume! If you're a business or neighbor who is interested in becoming a Candy Sponsor, contact Kristen Belles, Program Coordinator, at kbelles@warwickbucks.gov.

As always, thank you to TD Bank for sponsoring this phenomenal event!

Date: Thursday, October 29, 2026

Time: 5:30 PM-7:30 PM

Where: Warwick Township Community Park

Age: ALL AGES

COST: FREE

Pack the Police Car 2026

Join the Warwick Township Parks & Recreation Department, the Police Department and Fire Company for our annual Pack the Police Car event. Stop by Warwick Fire Company on Saturday, November 21 from 10AM-2PM with your non-perishable donations and meet some of our local police officers and members of the volunteer fire department. All donations benefit the New Britain Food Pantry, which supports people in need throughout Bucks County. This is a wonderful opportunity to give back to those in our own community who are struggling financially during the holiday season!

**WHEN: Saturday,
November 21, 2026**

TIME: 10am – 2pm

**WHERE: Warwick Township
Fire Company
(2390 York Road)**

AGES: ALL AGES

CREMATION SHOULD NOT BE OUTSOURCED

Most funeral homes use a third-party contract crematory. Varcoe-Thomas assures every step of care for your loved one is managed within our private facility. If you choose cremation, let our family care for your family.
